NOTICE:

- The county may not issue a trailer number on a manufactured trailer until a completed MV20 (Stage 1) form is submitted.
- The county may not issue a trailer number on a homemade trailer until the following statement is signed:

I certify that no other identification number exists on this trailer:

Applicant's Legal Signature Date

The assigned identification number must be stamped in its entirety—**including the SNTR and MT**—on the principal right frame member near the front end where it may be clearly and easily seen.

Have a Highway Patrol trooper, local peace officer, or an employee of a driver licensing station verify the stamped number and complete the inspection certificate below.

Return this completed form promptly to the county treasurer to obtain registration. Failure to do so shall result in cancellation of the assigned identification number.

INSPECTION CERTIFICATE

I certify that I have physically inspected this trailer and determined that the assigned SNTR number as recorded above is stamped in its entirety in accordance with the instructions and that the trailer is as described above.
