OFFICE OF THE SECRETARY

Washington, DC 20240

JAN 23 2024

The Honorable Justin Gray Hawk Sr.  
Chairman, Assiniboine & Sioux Tribes  
of the Fort Peck Indian Reservation  
P.O. Box 1027  
Poplar, Montana 59255

Dear Chairman Gray Hawk:

On December 21, 2023, the Office of Indian Gaming received the Tribal-State Compact (Compact) for Class III Gaming between the Assiniboine & Sioux Tribes of the Fort Peck Indian Reservation, Montana (Tribe) and the State of Montana (State). The Compact governs the conduct of Class III gaming activities by the Tribe.

We have completed our review of the Compact and conclude that it does not violate the Indian Gaming Regulatory Act (IGRA), any other provision of Federal law that does not relate to jurisdiction over gaming on Indian lands, or the trust obligations of the United States to Indians. 25 U.S.C. § 2710(d)(8)(B).

However, I note that the Compact contemplates the Tribe contracting with either the State or a third-party vendor for sports wagering services under a yet to be executed contract. I encourage the parties to submit any proposed agreement to the National Indian Gaming Commission for a declination letter to ensure, to the extent possible, that the terms and conditions contained therein do not violate IGRA's Sole Proprietary Interest<sup>1</sup> and Management Contract provisions.<sup>2</sup>

Therefore, pursuant to my delegated authority and Section 11 of IGRA, I approve the Compact. 25 U.S.C. § 2710(d)(8)(A). The Compact takes effect when the notice of this approval is published in the *Federal Register*, as required by 25 U.S.C. § 2710(d)(8)(D).

A similar letter is being sent to the Honorable Greg Gianforte, Governor, State of Montana.

Sincerely,

Bryan Newland  
Assistant Secretary – Indian Affairs

Enclosure

This restriction shall not apply to credits won by players who activate gambling machines after inserting coins or currency into the machines, and shall not restrict the right of the Tribes or any other person to offer check cashing or to install or accept bank card or credit card transactions in the same manner as would be normally permitted at any retail business.

**E. NIGC Minimum Internal Control Standards.** The Tribe agrees to follow the model Minimum Internal Control Standards used by the NIGC, unless the State and the Tribe agree to a simpler standard that would protect the fairness and integrity of the particular game or activity.

The Tribes shall conduct this background check and prepare a written report regarding each applicant within 30 days of receipt of the employment application.

**B. Employee Qualifications.** The tribes may employ any person whose prior financial or other activities or criminal record indicates that he or she:

1. Does not pose a threat to the public interest;

4. Has not been convicted of a felony offense within five (5) years of the date of application or is not on probation or parole or under deferred prosecution for committing a felony offense; and
5. Is not receiving a substantial amount of financing for the proposed operation from an unsuitable source. A lender or other source of money or credit found to be unacceptable based upon the provisions of the foregoing subsections B.1-4 may be considered an unsuitable source.

**C. Denial of Employment.** The tribes may deny employment to a person who has falsified an application. If the falsification is determined after the person has been employed, the tribes may terminate the employment.

### **VIII. TRIBES MAY CONTRACT WITH STATE**

The Tribes may contract with the State to inspect and certify machines by paying a fee for each machine which does not exceed the actual cost incurred by the State for such inspections. Alternatively, and with the State's approval, the Tribes may contract with a private company with expertise and credentials for the inspection and certification of machines. In addition, the Tribes may contract with the State to conduct background and financial examinations of persons associated with any gaming operation allowed under this Compact.

### **IX. ENFORCEMENT OF COMPACT PROVISIONS**

The primary responsibility for the on-site regulation, control and security of the gaming operations authorized by this Compact and for the enforcement of this Compact shall be that of the Tribal Gaming Agency. The Tribal Gaming Agency shall investigate any reported violation of the Compact provisions and shall require correction of a confirmed violation upon such terms and conditions as the Tribal Gaming Agency determines are necessary. If requested by the Tribal Gaming Agency, the State Gaming Agency may assist in any investigation initiated by the Tribal Gaming Agency and provide other requested services to ensure proper compliance with the provisions of this Compact. Any such assistance or provision of services by the State shall be pursuant to written contract between the Tribes and the State.

### **X. DEFAULT AND TERMINATION**

**A. Default by Tribes.** In the event of substantial and continuing failure by the Tribes in the performance of their obligations under this Compact, the State shall have the

right, at its option, to terminate this Compact, provided that the State shall have given 90 days written notice of such default to the Tribes, and the Tribes shall have failed to cure such default within 90 days after receipt of such written notice.

**B. Default by State.** In the event of substantial and continuing failure by the State in the performance of its obligations under this Compact, the Tribes shall have the right, at their option, to terminate this Compact, provided that the Tribes shall have given 90 days written notice of such default to the State, and the State shall have failed to cure such default within 90 days after receipt of such written notice.

**C. Voluntary Termination.** Either Party may terminate this Compact upon 60 days written notice to the other Party.

## **XI. MISCELLANEOUS TERMS**

**A. Effective Date and Term.** This Compact shall be effective upon publication in the Federal Register pursuant to 25 U.S.C. § 2710(d)(3)(B), and shall remain in effect until 10 years from its effective date ("Primary Compact Term"), or until a new Class III Compact executed by the State and the Tribes is approved by the Secretary, whichever comes first. However, upon expiration of the Primary Compact Term and all subsequent automatic renewal terms, this Compact shall be automatically renewed for a one (1) term, unless otherwise terminated in accordance with the provisions of Section X. Prior to expiration or termination of this Compact, the Parties may agree to the renewal of the Compact for a term mutually agreed upon.

**B. Amendments.** This Compact may be amended only with the consent of, and by written instrument signed by, both Parties. If IGRA or State law is amended in any way affecting the terms of this Compact, the Parties agree to negotiate in good faith to amend this Compact so as to achieve the objectives provided for, and to ensure compliance with, all applicable State and federal laws. In the case of a change in law that would prohibit gaming authorized under this Compact, the Tribes and the State shall engage in good faith negotiations to establish a reasonable period of time during which such gaming may continue in order to enable the Tribes and their investors (if any) to receive a reasonable return on investments made under this Compact and to provide tribal casino employees affected by the change in law with fair notice and transition time.

**C. Negative Declaration.** This Compact has been entered into to satisfy the requirements of IGRA. It is not intended to reflect or be viewed as reflecting in any other context either Party's position with respect to the jurisdictional authority of the other. Nothing in this Compact or in any conduct undertaken pursuant thereto shall be deemed as enlarging or diminishing the jurisdictional authority of either Party except to

the extent necessary to implement and effectuate the Compact's terms. Neither this Compact nor conduct pursuant thereto shall be offered as evidence, otherwise referred to in any present or future litigation unrelated to the subject matter of the Compact, or used to further either Party's equitable or legal position in any litigation unrelated to the subject matter of the Compact.

**D. Expansion of Class III Gaming.**

1. If, after the date of this Compact, State law is amended to permit any form of gaming classified as Class III under IGRA, in addition to those forms permitted by this Agreement; or in the event that the State executes a Class III tribal-state gaming compact with another federally recognized Indian tribe that permits that tribe to operation additional forms of gaming classified as Class III under IGRA (“Additional Class III Games”) and such compact is approved by the U.S. Department of the Interior, then the following provisions shall apply:

(a) the State shall notify the Tribes of such an occurrence in writing within 30 days; and

(a) the State shall notify the Tribes of such an occurrence in writing within 30 days; and

(b) this Compact shall be deemed amended to allow the Tribes to operate the maximum number of Class III video gambling machines permitted under state law or any other Class III tribal-state compact in Montana, whichever is greater.

3. If, after the effective date of this Compact, State law is amended to permit any entity to offer larger prizes or wagers for any game authorized under this Compact; or in the event that the State executes a Class III tribal-state gaming compact with another federally recognized Indian tribe that permits that tribe to offer larger prizes or wagers for any game authorized under this Compact, and such compact is approved by the U.S. Department of the Interior, then the

following shall apply:

- (a) the State shall notify the Tribes of such an occurrence in writing within 30 days; and
- (b) this Compact shall be deemed amended to allow the Tribes to offer the largest prizes and wages permitted under State law or any other Class III tribal-state gaming compact in Montana, whichever is greater.

**E. Sale of Alcoholic Beverages.** The Tribes are authorized to sell, offer for sale, give away, or allow the consumption of alcoholic beverages within a Premises during the hours when casino gaming operations are conducted pursuant to this Compact.

**F. Severability.** Each provision, section and subsection of this Compact shall stand separate and independent of every other provision, section, or subsection. In the event that a court of competent jurisdiction shall find any provision, section, or subsection of this Compact to be invalid, the remaining provisions, sections, and subsections of the Compact shall remain in full force and effect.

**G. Notices.** All notices and other communications required to be given hereunder by the Tribes and the State shall be deemed to have been duly given when delivered in person or posted by United States certified mail, return receipt requested, with postage prepaid, addressed as follows:
