(1) The legislature finds that for the purpose of ensuring the proper gambling environment in this state it is necessary and desirable to adopt a public policy regarding public gambling activities in Montana. The legislature therefore declares it is necessary to:

(a) create and maintain a uniform regulatory climate that assures players, owners, tourists, citizens, and others that the gambling industry in this state is fair and is not influenced by corrupt persons, organizations, or practices;

(b) protect legal public gambling activities from unscrupulous players and vendors and detrimental influences;

(c) protect the public from unscrupulous proprietors and operators of gambling establishments, games, and devices;

(d) protect the state and local governments from those who would conduct illegal gambling activities that deprive those governments of their tax revenues;

(b) If there is no security interest claimant and the law enforcement agency that seized the personal property wishes to retain the property for its official use, it may do so. Rim shots are allowed, except the operator may designate the top 6 inches of the basket rim by color and disallow balls striking this area as winning tosses.

(vi) Cat-ball-toss (star/diamond toss). The player tosses balls into a simulated cat's mouth or a round, diamond, or star-shaped hole to win.

(vii) Ping pong toss. The player tosses ping pong balls into dishes, saucers, cups, or ashtrays floating in water. The dolls or cats must be filled with sawdust, styrofoam, cotton, or other like material that provides a firm base for the ball to strike. The hair protruding from the side of the dolls or cats may not exceed 3 inches. The prize is determined by how many dolls or cats the player knocks over or off the ledge, as posted by the operator.

(xiii) Teeth game. The target consists of a large face with wooden teeth. The prize is determined by how many teeth the player knocks down by throwing a ball.

(xiv) Toilet game (doniker). To win, the player tosses or throws a ball or other object through a toilet seat located at the rear of the stand.

(xv) Coke roll. The player rolls a ball down an alley with the object of knocking over two coke bottles standing at the end of the alley. The player must tip over both bottles to win. Bottles must be placed on predetermined spots painted on the surface of the alley.

(xvi) Rolldown. The player rolls balls down an alley with the object of putting the balls in numbered slots at the end of the alley. The scores represented by the balls in each numbered slot are added up at the conclusion of the game. Scores above or below a predetermined score win. The alley surface must be smooth and free from defects at all times.

(xvii) Fascination (I got it). Fascination is a group game that involves competition among the players. The target area consists of 25 holes, and the player tosses or rolls a ball into one of the holes. The object of the game is to get five balls in a row either vertically, horizontally, or diagonally. The first player to accomplish this is the winner. Prize size is determined by the number of players participating in each game.

(xviii) Batter-up. The player uses a whiffle ball bat to swing and strike whiffle balls that are pitched at medium speed from a pitching machine. The player wins when the player hits a ball into the home run shelf. The home run shelf is located at the back of the batting cage approximately 15 feet from the player.

(xix) Sky bowling. Two bowling pins are set on predetermined painted spots on a shelf. A ball is attached to a chain suspended from a stationary support at least 6 inches to the right or left of the bowling pins. The object is to swing the ball, miss the pins with the ball as it goes forward, and knock the pins over as the ball returns.

(xx) Clown rolldown. A ball is tossed through the open mouth of a moving clown or animal head. The ball then rolls down a chute to numbered slots at the rear of the clown or animal head. The scores represented by the balls in each numbered slot are added up at the conclusion of the game. Prizes are awarded on the points achieved.

(xxi) Skee ball. The player rolls a ball up the mechanical bowling alley into targets. A computer adds up the scores, and the predetermined scores win.

(xxii) Speedball radar game. The player gets four balls and throws three balls through radar to establish speeds and to estimate at what speed the fourth ball will pass through the radar. The player wins a prize if the player accurately estimates the speed of the fourth ball. The radar must be mounted and stationary.

(e) Shooting games. These games are conducted by the player using a weapon

of some type to shoot at a target in the rear of the stand. The safety requirements of local city or county ordinances must be observed by the operator and player. The target may be stationary or mobile.

(i) Short range (shooting gallery). In this game, the player is given four rounds to shoot at a spot target 1/4 inch or less in diameter. The player wins when the spot target is completely shot out, or the player is given five rounds to shoot one round each at five triangular, round, or 2-inch square targets. The prize is determined by the number of targets struck by the player, or the player is given five rounds to shoot one round each at five triangular, round, or 2-inch square targets. Within each target is a bull's eye. The player must hit the bull's eye without touching the outer surface of the target. The prize is determined by the number of bull's eyes correctly hit.

(ii) Shoot-out-the-star (machine gun). The player, using an automatic air pellet gun, is given 100 pellets to shoot at a star-shaped target. The player must shoot out all of the target to win. The star cannot be more than 13 inches from point-to-point.

(iii) Water racer. This group game involves a competition, with the player winning a prize based on the number of players competing. The player, using a water pistol, shoots the water into a target. The water that strikes the target causes a balloon to inflate or advances an object to ring a bell. The first player who bursts the balloon or rings the bell is the winner.

(iv) Rapid fire. This group game involves competition similar to the water racer game described in subsection (2)(e)(iii). The player uses an electronic pistol to shoot at a target. Hits on the target give the player a score. The first player to reach a predetermined score is the winner.

(v) Cork gallery. The player uses a cork gun or similar device to propel objects, including but not limited to corks, suction cup darts, or styrofoam balls, to shoot at targets located on a shelf or at a bull's eye target. The player must hit the bull's eye or knock the target over or off the shelf to win a prize. The prize is determined by the target knocked over or off the shelf, by the number of targets knocked over or off the shelf, or by the player accomplishing other tasks, as stated in the posted rules. When suction cup darts or other darts are used and fail to stay on or in the target, the player must shoot the dart again. The base of each target must be uniform, front and rear.

(vi) Boomball. The player uses a cannon with compressed air to propel balls into a target area. The targets have varied point value. If the ball remains in the target, a computer adds up the score. Prizes are awarded based on the points achieved.

(f) Coin pitchers.

(i) Spot pitch (lucky strike). The player pitches a coin at colored spots located on a table in the center of the stand. The coin must touch or stay inside of a spot to win a prize.

(ii) Plate pitch. The player pitches a coin onto a glass plate to win a prize as designated.

(iii) Glass pitch (bowl). The player pitches a coin into or onto dishes or glasses. If the coin remains in a top target glass item, then the player wins that item.

(g) Cakewalk. The players walk on a predetermined route with designated spots, and when the operator stops the walk, the player on a predetermined spot wins a prize.

(h) Miscellaneous games.

(i) Skill chute (bulldozer) (penny fall).

(A) The games in each of the following sentences require the player to insert a coin or token into a chute, aiming the coin or token so that it will fall in front of a continuous sweeper (bulldozer) operating on a playing field containing additional coins, tokens, or merchandise. A coin that is aimed correctly will cause a sweeper (bulldozer) operating on a playing field containing additional coins to push coins into a counting mechanism that will convert the coins into tokens or tickets and dispense them to the

player. A token that is aimed correctly will cause a sweeper (bulldozer) operating on a playing field containing additional tokens or merchandise to push the tokens or merchandise into a hole or chute that sends them to the player. A token that is aimed correctly will cause a sweeper (bulldozer) operating on a playing field containing additional tokens to push tokens into a hole or chute that sends them to the player or pushes tokens into a counting mechanism that will convert the tokens into tickets and dispense them to the player.

(B) There may not be a ledge, tip, or similar obstruction that inhibits the passage of coins, tokens, or merchandise into the counting mechanism, hole, or chute.

(ii) Tip-em-up bottle. The player is provided with a pole and a string that has a hoop or ring attached at the end. The player, using the pole with a ring, must raise a bottle lying on its side to an upright position to win.

(iii) Hi-striker. The player, using a wooden maul, must strike a lever target that causes a metal weight to rise on a guideline or track and ring a bell. The player must ring the bell a predetermined number of times to win a prize.

(iv) Rope ladder. The player must climb up a rope ladder, which is anchored at both ends by a swivel, and ring a bell or buzzer to win a prize.

(v) Whac-a-mole. This is a group game that has a target surface with five holes through which animated moles pop up and down at random. The player must hit as many moles as possible with a mallet. The first player to hit a predetermined number of moles wins.

(vi) Dip bowling game. The player rolls a bowling-type ball over a hump in the track. If the ball stays on the back side of the hump, the player wins.

(vii) Horserace derby. This is a group game in which a player advances a horse by shooting or rolling a ball in the target area. The faster and more skillfully the player shoots or rolls the ball, the faster the player's horse will run. The first horse to cross the finish line wins.

(viii) Shuffleboard. The player pushes a puck down a shuffleboard alley to knock over poly pins at the end of an alley. The player wins by knocking down all the pins.

(ix) Bean bag. The player tosses or throws a bean bag or a simulated bean bag at cans, bottles, or other objects on a raised platform. The player wins a prize when the player either knocks the object off the raised platform or tips the target over.

(x) Soccer kick. The player kicks a soccer ball through a hole in the target area to win.

(xi) Frog game. A plastic frog or similar object sits on a small end of a teeter-totter. The opposite end of the teeter-totter is struck with a mallet, causing the frog to fly off the teeter-totter. If the frog lands in a pail or similar receptacle, the player wins a prize.

(xii) Cover the spot. The object of this game is for the player to drop five circular discs onto a circular spot, completely covering the spot. The diameter of each of the discs used to cover the spot must be a minimum of 64% of the diameter of the spot to be covered. The spot to be covered must be painted or drawn on a permanent, solid material, such as metal or wood, or may be a lighted circle. The spot and each disc must have a uniform diameter.

(xiii) Pocket billiards. Using a regulation pocket billiard table, a player must run a consecutive number of balls to win a prize. The number of balls is set by the operator.

(xiv) Other coin- or token-operated games of skill. The player inserts a coin or token into a mechanical, electrical, or electromechanical device manufactured for bona fide amusement purposes only that dispenses tokens or tickets based on the player's skill in operating the device. Games authorized under this subsection are limited to those involving a substantial degree of skill. A substantial degree of skill is present if:

(A) a player's physical or mental abilities play an integral role in determining the

number of tokens or tickets accumulated during the play of the game;

(B) the number of tokens or tickets initially received by the average player would increase with repeated play of the game; and

(C) a player's precision, dexterity, or knowledge enables the player to obtain more tokens or tickets than would be received by a less precise, dexterous, or knowledgeable player.

(3) In addition to the amusement games allowed by subsections (1) and (2), the department of justice may adopt rules allowing games that may be operated at a fair or carnival and that meet the requirements of this part and may set and collect fees to offset the costs associated with review and approval. History: En. Sec. 4, Ch. 523, L. 1991; amd. Sec. 3, Ch. 327, L. 1993; amd. Sec. 1, Ch. 353, L. 1993; amd. Sec. 21, Ch. 626, L. 1993.

23-6-105. Authority to inspect. At any time during normal business hours, local law enforcement officers and department of justice employees may inspect any amusement game made available for public play by an operator, concessionaire, nonprofit organization, or arcade for compliance with 23-6-102. History: En. Sec. 6, Ch. 523, L. 1991.

23-6-107. Violations. A person who purposely or knowingly violates or procures, aids, or abets in a violation of 23-6-102 is punishable by a fine not to exceed \$1,000 or by imprisonment in the county jail for a term not to exceed 6 months, or both. History: En. Sec. 7, Ch. 523, L. 1991.

Subchapter 1

Gambling Licenses, Generally

23.16.101 DEFINITIONS As used throughout this subchapter, the following definitions apply:

(1) "Accounting system vendor" means a person who sells or leases an accounting system to a licensed gambling manufacturer, route operator, or gambling operator to be utilized as an approved automated accounting and reporting system, as provided in 23-5-637, MCA.

(2) "Control" means the power to cause or direct management and policies.

(3) "Day" means the period of time, or any portion thereof, between any midnight and the midnight following.

(4) "Dealer" means a person who:

(a) deals playing cards in a card game of panguingue or poker; and

(b) may accept wagers and dispense winnings in a card game of panguingue or poker.

(5) "Financing" means investments, loans, deferred payment agreements for the purchase of real property (or tangible and intangible personal property or past or prospective services), and gifts, except tangible personal property intended and used for decoration or display on the premises.

(6) "Gambling license" means any license issued by the department pursuant to Title 23, chapter 5, MCA.

(7) "Institutional lender" means a person who:

(a) has been authorized under Title 32, chapters 1, 2, 3, and 4, MCA, to receive money on deposit or transact a trust or investment business, including banks, savings and loans, credit unions, investment companies, and development corporations; or

(b) is identified as a regulated lender in 31-1-111, MCA, which, in addition to lenders identified in (7)(a), includes bank holding companies, consumer loan licensees owned by bank holding companies, mutual or stock insurance companies, and federal and state agencies authorized to lend money.

(8) "Lease agreement" means a contract that transfers the right to possess and use of property for a term, in return for consideration. The terms of the lease may not transfer an ownership interest in the licensed gambling operation as defined in this rule.

(9) "Loan" means a written contract by which one delivers a sum of money or other thing of value to another and the latter agrees to return at a future time a sum equivalent to that which he/she borrowed.

(10) "Management agreement" means a contract between the licensee and manager(s). The agreement may not transfer an ownership interest in the licensed operation or limit or relieve the licensee of record from the responsibilities of ownership. Bonuses or bonus-type payments based on job performance are not considered ownership interests if they are provided in conjunction with a reasonable salary base and do not assign or transfer an ownership interest.

(11) "Manager" means a person employed or authorized by the licensee to supervise personnel or business functions of the licensed operation.

(12) "Manufacturer of electronic live bingo or keno equipment" means a person who produces from raw materials or subparts a completed piece of electronic equipment intended for use in the game of live bingo or keno. The term does not include a person who solely installs or connects electronic live bingo or keno equipment on an operator's premises.

(13) "Manufacturer of gambling devices not legal in Montana" means a person who assembles a completed or uncompleted piece of equipment intended for use as a gambling device which is not specifically authorized in Montana but is lawful in another jurisdiction.

(14) "Noninstitutional lender" or "noninstitutional source" means:

- (a) a person other than an institutional lender as defined in (7) of this rule; or
- (b) a consumer lender who is not a subsidiary of a bank or bank holding company who loans money or supplies financing to an applicant, licensee, or the owner of an applicant or licensee.

(15) "Owner" or "owner of an interest" means a person with a right to share in the profits, losses, or liabilities of a gambling operation. The term "ownership interest" is synonymous with "owner" or "owner of an interest". The term "owner" or "owner of an interest" does not include route operators with a right to share in proceeds from video gambling machines they have leased to location operators. "Owner" or "owner of an interest" includes:

- (a) loan guarantors who make actual debt payments for or contribute capital to a gambling operation;
- (b) any person whose compensation or contractual rights in relation to the licensed gambling operation are based in whole or part on a percentage of gross or net sales; or
- (c) a holding company, defined under this rule as a corporation operated for the purpose of owning the stocks of other corporations and controlling the operations of these corporations.

(16) "Person" means either a natural or an artificial person, and includes all partnerships, corporations, limited liability companies, associations, clubs, fraternal orders, religious organizations, or charitable organizations. A separate person exists when a partner in a partnership changes, any member(s) in a limited liability company changes, any shareholder(s) in a closed corporation changes, or 5% or more of the interest in a publicly traded corporation is transferred to or from a single individual.

(17) "Security interest" means an interest that is reserved or created by an agreement that secures payment or performance of an obligation.

(18) "Stranger to the license" means a person who does not own an interest in the licensed gambling operation.

(19) "Transfer" means to sell, assign, lease, or otherwise convey.

(2) The department may, at its discretion, require additional information, documentation, or disclosure from an applicant for a gambling license.

(3) The department may require any noninstitutional lender to complete a document (Form 13) authorizing examination and release of information and (Form 10) a personal history statement on the lender, fingerprints on a form provided by the department, as well as any contract, statement, or other document from the lender deemed necessary to assess the suitability of an applicant's funding source as required in 23-5-176, MCA. 23.16.104 PROCESSING OF GAMBLING LICENSE APPLICATION

(1) Upon receipt of an application for a gambling license, the department must make a thorough investigation as to the qualifications of the applicant for licensure. If, upon conclusion of such investigation, the applicant appears qualified under the law, a license must be issued if all requirements of the law and these rules are fulfilled.

(2) The department may consider the same matters, conditions, and qualifications for renewal of a gambling license as for the original application. (History: 23-5-115, MCA; IMP, 23-5-115, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90.)

23.16.105 WITHDRAWAL OF APPLICATION (1) An applicant may request withdrawal of an application at any time prior to final department action upon the application by filing a written request to withdraw. The department will respond within 30 days of receipt of the applicant's request for withdrawal.

(2) The department may, in its discretion, grant the request with or without prejudice. If the division's decision to grant a request to withdraw an application is made with prejudice, it must be based on a finding that the applicant has engaged or is engaging in an act or practice constituting a violation of a provision of Title 23, chapter 5, MCA, or a rule or order of the department, or that the applicant is a person whom the department determines is not qualified to receive a license under 23-5-176, MCA, or ARM 23.16.107. This decision is subject to challenge pursuant to the Montana Administrative Procedure Act.

(3) If a request for withdrawal is granted with prejudice, the applicant is not eligible to apply again for licensing or approval until after expiration of one year from the date of the final department action upon the decision to grant the withdrawal of the application with prejudice. (History: 23-5-115, MCA; IMP, 23-5-115, 23-5-136, 23-5-176, MCA; NEW, 1993 MAR p. 2786, Eff. 11/25/93; NEW, 1994 MAR p. 2834, Eff. 10/28/94; AMD, 1997 MAR p. 404, Eff. 2/25/97.)

23.16.106 ELECTRONIC SUBMISSION OF DOCUMENTS AND ELECTRONIC SIGNATURES (1) The department may accept electronic submission of certain documents through the licensing portal.

(2) An electronically submitted document is only complete if:

(a) all requested information is provided; and

(b) the submitter is the applicant, licensee, or an authorized representative of the applicant or licensee.

(3) By electronically submitting a document, the submitter declares, under the penalty, that:

(a) the information submitted is true, correct, and complete; and

(b) the submitter is the applicant, licensee, or an authorized representative of the applicant or licensee.

(4) An electronically submitted document is subject to the same deadlines as a document submitted in paper form. (History: 23-5-115, 23-5-621, MCA; IMP, 23-5-115, 23-5-118, 23-5-128, 23-5-129, 23-5-177, 23-5-178, 23-5-308, 23-5-324, 23-5-407, 23-5-409, 23-5-513, 23-5-621, 23-5-625, 23-5-705, MCA; NEW, 2014 MAR p. 1505, Eff. 7/11/14.)

23.16.107 GROUNDS FOR DENIAL OF GAMBLING LICENSE, PERMIT, OR AUTHORIZATION (1) With respect to any gambling license, permit, or authorization, the department may deny initial issuance, or, if issued, deny renewal or take any action authorized in 23-5-136, MCA, when the department can demonstrate that the applicant or holder of such license, permit or authorization has:

(a) concealed, failed to disclose, or otherwise attempted to mislead the department with respect to any material fact contained in the application or contained in any other information required of or submitted by an applicant or licensee for any licensing purpose;

(b) purposely or knowingly failed to comply with Title 23, chapter 5, MCA, or these rules;

(c) been convicted of any felony within five years of the date of application;

(d) been placed and remains on probation or parole or under deferred prosecution for committing a felony;

(e) purposely or knowingly possessed or permitted to remain in or upon any premise licensed for gambling activity any device designed for the purpose of cheating or manipulating the outcome of any gambling activity or gambling enterprise authorized by Title 23, chapter 5, MCA;

(f) been prohibited by a governmental authority from being present upon the premises of any gambling establishment or gambling enterprise or any establishment where parimutuel wagering is conducted for any reason relating to improper gambling activities or any illegal act;

(g) failed to cooperate with any legislative investigative committee or other officially constituted body acting on behalf of the United States or any state, county, or municipality which seeks to investigate crimes relating to gambling, corruption of public officials, or any organized criminal activities;

(h) had any action taken against a gambling license by any agency of the state of Montana or other jurisdiction, which resulted in a final order declaring a violation or a conviction of any crime which is contrary to the declared gambling policy of the state of Montana;

(i) been voluntarily or involuntarily dissolved as an entity;

(j) failed to meet other qualifications for licensure as set forth in 23-5-176, MCA; or

(k) had a gambling license denied for other than technical defects in the application.

(2) The department may, in its discretion, deny a license under (1) with or without prejudice. If the division's decision to deny an application is made with prejudice, it must be based on a finding that the applicant has engaged or is engaging in an act or practice constituting a violation of a provision of Title 23, chapter 5, MCA, or a rule or order of the department, or that the applicant is a person whom the department determines is not qualified to receive a license under 23-5-176, MCA, or this rule. This decision is subject to challenge pursuant to the Montana Administrative Procedure Act. Any person whose application has been denied with prejudice is not eligible to apply again for licensing or approval until after expiration of one year from the date of the final department action upon the decision to deny the application with prejudice. (History: 23-5-112, 23-5-115, MCA; IMP, 23-5-115, 23-5-176, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90; AMD, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 1993 MAR p. 2786, Eff. 11/25/93; AMD, 1994 MAR p. 2834, Eff. 10/28/94; AMD, 1997 MAR p. 404, Eff. 2/25/97; AMD, 2013 MAR p. 1606, Eff. 9/6/13.)

23.16.108 RECOURSE IN CASES OF DENIAL OR NONRENEWAL OF GAMBLING LICENSE - HEARING, JUDICIAL REVIEW (1) Upon completion by the department of its investigation of an applicant's qualifications for licensure, the department shall notify the applicant in writing of its intended action. If the applicant desires a hearing, a written request for a hearing must be submitted to the department within 20 days.

(2) Upon receipt by the department of a written request for hearing, all proceedings involving the denial or nonrenewal of a gambling license shall be conducted in accordance with the Montana Administrative Procedure Act and the Attorney General's Model Rules of Procedure. The applicant shall notify the appointed hearing officer whether the applicant waives or invokes the confidentiality requirements of 23-5-115, MCA. (History: 23-5-115, MCA; IMP, 23-5-115, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90; AMD, 1991 MAR p. 1942, Eff. 10/18/91.)

23.16.109 RENEWAL OF GAMBLING LICENSE (1) Renewal of an existing gambling license must be accomplished by submitting a renewal application on forms prescribed by the department. A renewal application is not complete unless it is signed and dated by the applicant and contains all information, statements, and documentation required by the department.

(2) Any renewal or annual fee required by Title 23, chapter 5, MCA, or these rules, must accompany each renewal application. (History: 23-5-115, MCA; IMP, 23-5-115, 23-5-177, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90; AMD, 1997 MAR p. 404, Eff. 2/25/97.)

23.16.110 ASSOCIATED GAMBLING BUSINESS LICENSE (1) Except where licensure is required by Title 23, chapter 5, MCA, or under these rules, an associated gambling business license is a license the department may issue to a person or entity whose business provides products or services to a licensed gambling business and:

- (a) possesses or maintains control over gambling equipment or devices;
- (b) has access to gambling related trade secrets, or proprietary, confidential, or tax information; or
- (c) is a party to a gambling transaction.

(2) An applicant for an associated gambling business license must submit to the department:

(a) an application using Form 17, with special instructions, and Form FD-258, which are available from the Gambling Control Division, 2550 Prospect Ave., P.O. Box 201424, Helena, MT 59620-1424, or on the department's web site www.doj.mt.gov/gaming;

(b) Form 10 for all applicants as described in ARM 23.16.102;

(c) a complete set of fingerprints, on Form FD-258 provided by the department, obtained and certified by a local law enforcement agency, the department, or a private security company approved by the department, for each person required to complete a personal history statement;

(d) financial statements for the applicant's business as described in ARM 23.16.502; and

(e) a check or money order for \$1,100 made payable to the State Treasurer, which includes payment for the:

(i) \$100 annual license fee; and

(ii) \$1,000 processing fee to cover the actual cost of processing the license.

(3) Based on the actual cost incurred by the department in determining whether the applicant qualifies for licensure, the department will refund any overpayment of the processing fee or collect an amount sufficient to reimburse the department for any underpayment of actual costs. If an applicant withdraws the application after the department has begun processing the application, the department will refund any amount not expended as of the date of withdrawal.

(4) The department may waive the application and processing fee if the applicant is licensed as an operator, distributor, manufacturer of legal or illegal devices, or a route operator, and if the applicant is substantially the same and has not added strangers to the license.

(5) The provisions of this rule do not apply to professionals such as attorneys or accountants when they are retained in their professional capacity by licensees and may have access to gambling related trade secrets, or proprietary, confidential, or tax information. Where a gambling related business is given access to gambling related trade secrets or proprietary or confidential information in order to produce a product or service to be made available for sale to licensees in this state, and the department requires that business possess an associated gambling business license, those requirements are provided for under separate rule. (History: 23-5-112, 23-5-115, 23-5-178, MCA; IMP, 23-5-115, 23-5-178, MCA; NEW, 2009 MAR p. 1260, Eff. 7/31/09; AMD, 2013 MAR p. 1606, Eff. 9/6/13.)

23.16.115 DEFINITIONS (REPEALED) (History: 23-5-115, MCA; IMP, 23-5-118, 23-5-176, MCA; NEW, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 1993 MAR p. 2786, Eff. 11/25/93; AMD, 1994 MAR p. 2834, Eff. 10/28/94; REP, 1997 MAR p. 404, Eff. 2/25/97.)

23.16.116 TRANSFER OF INTEREST AMONG LICENSEES (1) Except as provided in (9), an ownership interest may not be transferred among existing owners without submitting an amended gambling license application to the department and obtaining department approval prior to the transfer.

(2) Gambling activity may continue pending the outcome of a license investigation for a proposed transfer of ownership due to the death of a licensee under joint tenancy with right of survivorship as long as the person to whom the interest is transferred is already listed as an owner in the licensed operation and joint tenancy had been documented and approved in the original license application. The transfers must be reported on Form 37 along with the following documents:

- (a) death certificate;
- (b) will of the deceased, if any; and
- (c) copy of the licensee's most recent financial statements or tax return.

(3) Gambling activity may continue pending the outcome of a license investigation for the proposed transfer of ownership in a licensed operation resulting from divorce as long as the spouse to whom an interest is transferred has already been approved and listed as an owner of that license. These types of proposed transfers must be reported on Form 37 along with the following documents:

- (a) court decree of dissolution of marriage;
- (b) source of funding documents, if any, if the transfer requires a buyout, e.g., bank statements supporting cash payments, loan and security agreements, installment payment agreement, etc.;
- (c) copy of the licensee's most recent financial statements or tax return;
- (d) if the transferring spouse will no longer be a licensee, copies of letters or other documents from lenders, landlords, or other parties to whom the licensee is obligated, which release the spouse from primary responsibility for the obligation, although the transferring spouse may still guarantee the obligation;
- (e) if the transferring spouse is no longer a licensee, an updated bank signature card; and
- (f) if the licensed entity is a corporation, copies of the cancelled and newly issued stock certificates.

(4) Gambling activity may continue pending the outcome of a license investigation for a proposed transfer of ownership in a licensed operation by gift among licensees. This type of proposed transfer must be reported on Form 37 along with the following documents:

- (a) gifting statement which provides the names of the parties, the intent of the parties, and the percentage ownership to be transferred through the gift;
- (b) copy of the licensee's most recent financial statements or tax return; and
- (c) if the licensed entity is a corporation, copies of the cancelled and newly issued stock certificates.

(5) Gambling activities may continue pending the outcome of a license investigation for a proposed transfer of ownership in a licensed operation from a sale and purchase among owners of that license. This type of transfer must be reported on a Form 37 along with the following documents:

- (a) transfer documents that include all terms of sale/transfer;
- (b) if the licensed entity is a corporation, copies of the cancelled and newly issued stock certificates;

(c) source of funding documents for the purchase, e.g., bank statements supporting cash payments, loan and security agreements, installment payment agreements, etc.;

(d) copy of licensee's most recent financial statements or tax return;

(e) if the seller/transferor will no longer be a licensee, copies of letters or other documents from lenders, landlords, or other parties to agreements with which the licensee is obligated, which release the seller from primary responsibility for the obligation, although the seller/transferor may still guarantee the obligation; and

(f) if the seller is no longer on the license, an updated bank signature card.

(6) The department may conduct an investigation to determine whether the proposed transfer meets the licensure requirements in 23-5-176, MCA, and department rules. In any case of the transfer of an ownership interest among existing owners, before approving the transfer, the department must determine that the transferred ownership interest is independently exercised by the new owner and does not remain under the control of the transferor.

(7) Within 60 days after receiving the completed amended application, the department shall approve the proposed transfer by issuing an amended gambling license or notify the parties involved of the denial of the license or other appropriate action.

(8) The department may not charge any additional annual gambling license or machine permit fees.

(9) The provisions of this rule do not apply to the:

(a) transfer of a security interest in a licensed gambling operation; or

(b) transfer of less than 5% interest in a publicly-traded corporation.

Transfers of an interest of 5% or more in a publicly-traded corporation are subject to the provisions of this rule, except that the transfer may occur without prior department approval. The department reserves the right to act under 23-5-136, MCA, in this situation if it determines that the transfer violates Montana gambling law or the rules in this chapter. (History: 23-5-115, MCA; IMP, 23-5-115, 23-5-118, 23-5-176, MCA; NEW, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 1993 MAR p. 2786, Eff. 11/25/93; AMD, 1994 MAR p. 2834, Eff. 10/28/94; AMD, 1997 MAR p. 404, Eff. 2/25/97; AMD, 2009 MAR p. 2480, Eff. 12/25/09; AMD, 2010 MAR p. 1732, Eff. 7/30/10.)

23.16.117 TRANSFER OF INTEREST TO NEW OWNER (1) Except as provided in (7), (8), and (9), an ownership interest may not be transferred to a new owner until a new gambling license application reflecting the proposed transfer is submitted to the department and the department approves the transfer.

(2) The gambling license application must include:

(a) the annual license fee, if applicable, and the processing fee required for the specific license; and

(b) a copy of the proposed agreement to transfer the interest.

(3) The department shall conduct an investigation to determine whether the proposed transfer meets the licensure requirements in 23-5-176, MCA, and department rules. In any case of the transfer of an ownership interest to a new owner, the department must determine that the transferred ownership interest will be independently exercised by the new owner and will not remain under the control of the transferor before approving the transfer.

(4) Within 90 days after receiving the completed application, the department shall approve the proposed transfer by issuing a gambling license, notify the applicant of the denial of the license, or take other action.

(5) After the gambling license has been issued, the department shall issue the appropriate gambling permits to the licensee upon submission of completed applications and payment of permit fees.

(6) A certificate, stock, or other evidence of ownership may not be registered in the licensee's records until the gambling license has been issued by the department.

(7) The provisions of this rule do not apply to the:

(a) transfer of a security interest in a licensed gambling operation; or

(b) transfer of less than 5% interest in a publicly traded corporation.

Transfers of an interest of 5% or more in a publicly traded corporation are subject to the provisions of this rule, except that the transfer may occur without prior department approval. The department reserves the right to act under 23-5-136, MCA, in this situation if it determines that the transfer violates Montana gambling law or the rules in this chapter.

(8) Transfers of ownership in a licensed gambling operation resulting from foreclosure on a contract for deed or other instrument of transfer require submission of an application as described as follows:

(a) Gambling activity may continue pending the outcome of a license investigation for a proposed transfer of ownership interest resulting from foreclosure under the following conditions:

(i) the party foreclosing has had no change in ownership since last licensed, and is the licensee's immediate predecessor;

(ii) the foreclosing party is suitable for licensure;

(iii) all applicable permit fees are paid; and

(iv) the former licensee has notified the department of the foreclosure at the time the foreclosure is executed; notification must be made within five working days of execution and an application must be received by the department within 30 working days following notification; failure to notify the department within this time frame may result in department action to cause gambling operations to cease immediately, and:

(A) the foreclosure takes place within two years following the sale, in which case an amended license application may be submitted on a Form 37, together with a personal history statement (Form 10) for each person applying for licensure, and a complete set of fingerprints (Form FD-258) obtained and certified by a local law enforcement agency, the department, or a private security company approved by the department, for each person required to complete a personal history statement, and a copy of the licensee's most recent financial statements or tax returns; or

(B) the foreclosure takes place more than two years but fewer than five years following the sale, a new license application is required, including all applicable fees, as long as the owner meets the criteria contained in (8)(a)(i), (ii), (iii), and (iv).

(b) Transfers resulting from foreclosure that do not meet all of the conditions set forth in (8)(a) require a new license application to be filed and gambling activities to cease pending approval of the application.

(9) Transfers of ownership control of a licensed gambling operation into a receivership, trust, or an estate mandated by court order require an amended application to be filed. The transfer of ownership interest to an estate that results from the death of a licensee may be reported on Form 37.

(a) Under this circumstance, gambling activity may continue pending the outcome of the license investigation if the following documents are submitted and determinations are made:

(i) documentation of the event precipitating the transfer of the licensed gambling operation into a receivership, trust, or estate, e.g., death certificate;

(ii) documents naming/appointing a person to exercise ownership control, e.g., receiver, personal representative, trustee;

(iii) personal history statement, (Form 10) as that form is described in ARM 23.16.102(3)(b), for the person designated to act in the capacity of a receiver or trustee;

(iv) a complete set of fingerprints, Form FD-258 provided by the department, obtained and certified by a local law enforcement agency, the department, or a private security company approved by the department for each person required to complete a personal history statement; and

(v) a copy of the licensee's most recent financial statements or tax returns; and

(vi) the department determines the receiver is suitable to hold or own a license.

(b) Upon the dissolution of a receivership, trust, or estate licensed under (9), if ownership interests are distributed to strangers to the license, a new license application must be filed and all applicable rules and procedures must be followed.

(c) If ownership interests are transferred to existing owners following the dissolution of a receivership, trust, or estate, an amended license application must be filed. (History: 23-5-115, MCA; IMP, 23-5-115, 23-5-118, 23-5-176, MCA; NEW, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 1993 MAR p. 2786, Eff. 11/25/93; AMD, 1994 MAR p. 2834, Eff. 10/28/94; AMD, 1997 MAR p. 404, Eff. 2/25/97; AMD, 2003 MAR p. 1989, Eff. 9/12/03; AMD, 2007 MAR p. 2010, Eff. 12/7/07; AMD, 2009 MAR p. 2480, Eff. 12/25/09; AMD, 2011 MAR p. 2628, Eff. 12/9/11.)

23.16.118 ESCROW REQUIRED (1) Money or any other thing of value constituting consideration for transferring an interest in a licensed gambling operation may not be paid, received, or used until the provisions of ARM 23.16.116 or 23.16.117 have been met. However, the funds may be placed in escrow pending compliance with these provisions.

(2) Except as provided in ARM 23.16.120, a loan, pledge, or similar transaction between the parties to the proposed transfer or with other parties associated with the transfer may be deemed a violation of this rule. (History: 23-5-115, MCA; IMP, 23-5-118, 23-5-176, MCA; NEW, 1991 MAR p. 1942, Eff. 10/18/91.)

23.16.119 PARTICIPATION IN OPERATIONS (1) A person who proposes to acquire an ownership interest in a licensed gambling operation may not control or participate in any capacity reflecting ownership in that operation until the applicant's license has been approved by the department as provided for in ARM 23.16.116 or 23.16.117.

(2) If a person has been employed by the licensed gambling operation for more than six consecutive months before submitting to the department the application required in ARM 23.16.116 or 23.16.117, the employee may continue to be employed pending department action. (History: 23-5-115, MCA; IMP, 23-5-115, 23-5-118, 23-5-176, MCA; NEW, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 1997 MAR p. 404, Eff. 2/25/97.)

23.16.120 LOANS AND OTHER FORMS OF FINANCING (1) Except as provided in (4), (5), (6), and (7), if a gambling licensee or license applicant proposes to acquire a loan or other forms of financing from a noninstitutional source for use in his licensed gambling operation or grant a security interest to a noninstitutional source, the department must approve the contract or security interest transfer before any funds from the loan or financing may be received or expended by the licensee or license applicant and before the security interest may be transferred.

(2) Except as provided in (4) and (5), a gambling licensee proposing to lend money to or acquire a security interest from, another gambling licensee must receive written confirmation of department approval of the loan, or security interest transfer before any funds from the loan may be transferred to or expended by the borrower licensee and before the security interest may be transferred.

(3) All licensees who propose to acquire loans or grant security interests in their licensed gambling operation, must notify the department in writing prior to acquiring the loan from a noninstitutional source, or transferring a security interest to a noninstitutional source. The notice, which is to be signed under oath, must include:

- (a) the names and addresses of all parties to the loan or transfer;
- (b) the amount and source of the loan funds or amount and source of the funds used to acquire the security interest;
- (c) the nature and amount of the security provided for the loan or security interest;
- (d) the purpose of the loan or transfer of the security interest.

(4) Prior department approval is not required on loans made to gambling operator licensees from route operators for the purpose of establishing a video gambling machine change bank (pool of funds out of which the operator can make change and pay out prizes on valid video gambling machine ticket vouchers) under the following conditions:

- (a) the route operator submits a list of licensed gambling operators for which he will be providing a change bank loan and the amount of each change bank;
- (b) the route operator enters into a written agreement with the gambling operator, signed by both parties, providing notification to the gambling operator that the loan proceeds may only be used to make change or to pay out prizes on valid video gambling machine ticket vouchers and that the use of the proceeds for any other purpose is a violation of the gambling laws and rules;

(c) at least twice each month, the route operator must reconcile the amount of prizes paid out with the cash remaining in the change bank. If the amount of prizes paid out cannot be reconciled with the cash remaining in the change bank, the route operator must analyze and document the difference. Any material differences must be immediately reported to the department. (For the purposes of this rule, material difference means any amount greater than 5% of the value of the change bank loan or \$100, whichever is less.) A record of the reconciliations and analysis of material differences must be maintained for a minimum of 12 full quarters from the previous quarterly tax return due date; and

(d) failure to maintain adequate records or notify the department of material differences and investigations findings will subject the route operator to administrative action.

(5) Prior department approval is not required on loans made between closely related licensed operators under the following conditions:

(a) both licensed operators must have the same majority ownership. For the purposes of this rule the "same majority ownership" means the same individual or group of individuals owning a greater than 50% interest in both licensed operations;

(b) the operators submit a list of operations to which loans may be made and from which loans may be received;

(c) the borrower complies with (3);

(d) the borrower and lender's financial records accurately reflect the transaction as a loan payable and receivable. Any balance due upon renewal not previously reported on license renewal forms must also be reported on the license renewal application; and

(e) failure to maintain adequate records or notify the department of material differences will subject the licensees to administrative action.

(6) Prior department approval is not required for accounts payable incurred for the purpose of acquiring nongambling inventories, supplies and other materials or equipment under the following conditions:

(a) the payable does not require the transfer of a security interest in any assets of the licensed operation other than the product(s) purchased;

(b) the terms of repayment are of a short term nature, less than one year;

(c) repayment is due the seller of the products;

(d) the sale of such products is in the seller's normal course of business;

(e) a copy of the loan agreement or, in the case of a transfer of a security interest, the agreement precipitating the transfer, and a copy of the agreement to transfer the security interest or uniform commercial code document filed with the Secretary of State to record the transfer; and

(f) all such financing must be disclosed at the time of license renewal.

(7) Prior department approval is not required on loans to a licensed entity by an approved (licensed) owner of the entity (shareholder, member, partner) under the following conditions:

(a) the loan is used to meet an obligation of the licensed entity that cannot be met with its existing operating accounts and reserves;

- (b) the funds loaned to the licensed entity must be those of the owner. The funds cannot have been borrowed by the owner from any other source;
 - (c) the loan must be memorialized by an agreement between the licensed entity and owner. The loan agreement must meet the department's evaluation standards;
 - (d) the borrower and lender's financial records must accurately reflect the transaction;
 - (e) any balance due upon renewal not previously reported on license renewal forms must be reported on the license renewal application; and
 - (f) failure to maintain adequate records of the transaction or source of funds loaned will be considered a violation of this rule.
- (8) Prior department approval is not required for "cash equivalent sales" payables incurred for the purpose of acquiring video gambling machines under the following conditions:
- (a) the seller of the machines is a licensed video gambling machine manufacturer or distributor;
 - (b) the payable does not require the transfer of a security interest in any assets of the licensed gambling operation other than the video gambling machines purchased;
 - (c) repayment is due the licensed seller of the machines; and
 - (d) the term of repayment does not exceed 365 days.
- (9) The provisions of (8) do not apply to video gambling machine retail installment sale agreements or conversions from a "cash equivalent" sale to a retail installment sale agreement.
- (10) The department may disapprove the loan or transfer of the security interest if it determines that the loan or transfer or the agreement(s) involves an unsuitable source of financing or otherwise violates any statute or rule. (History: 23-5-115, MCA; IMP, 23-5-115, 23-5-118, 23-5-176, MCA; NEW, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 1993 MAR p. 2786, Eff. 11/25/93; AMD, 1994 MAR p. 2834, Eff. 10/28/94; AMD, 1997 MAR p. 404, Eff. 2/25/97; AMD, 1998 MAR p. 1176, Eff. 5/1/98; AMD, 2002 MAR p. 2441, Eff. 9/13/02; AMD, 2003 MAR p. 1282, Eff. 6/27/03; AMD, 2009 MAR p. 2480, Eff. 12/25/09; AMD, 2011 MAR p. 146, Eff. 2/11/11.)

23.16.121 LEASING OF LICENSE PROHIBITED (1) A gambling license or permit is a privilege personal to the gambling licensee and may not be leased, assigned, or transferred to another person.

(2) The department's examination to determine the existence of a lease or other similar arrangement includes, but is not limited to, the following factors:

- (a) the nature of various employment relationships (e.g., "lessee"/"lessor", "lessee"/gambling-related employees, "lessor"/gambling-related employees);
- (b) responsibility for liabilities (e.g., payment of taxes, insurance, rent; liability for injury; violations of law);
- (c) methods and amounts of reimbursement (e.g., to "lessor", to "lessee");
- (d) eventual transfer of business; and
- (e) any other evidence indicating the existence of a lease or other method of conveyance.

(3) This rule does not prohibit a licensed operator from entering into an agreement with a licensed card room contractor to operate one or more live card game tables on the operator's premises. (History: 23-5-115, MCA; IMP, 23-5-110, 23-5-159, MCA; NEW, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 1998 MAR p. 1176, Eff. 5/1/98.)

23.16.122 LOAN EVALUATION - INSTITUTIONAL LENDER SECURITY INTERESTS - GUARANTOR PAYMENTS (1) The department will evaluate a transaction to determine if it is a loan using standards in the Uniform Commercial Code, the Internal Revenue Code, and generally accepted commercial lending practices. Loans will also be evaluated in the context of overall financing of the business to determine that a loan rather than an ownership interest exists and that the contract does not grant the lender control of the licensed operation.

(2) Institutional lenders may secure loans made to a license applicant or licensee with security interests on assets belonging to the applicant or licensee. In securing the assets of a license applicant or licensee, an institutional lender may limit the movement of the assets, including a liquor license.

(3) For loans made to a license applicant or licensee, an institutional lender may require loan guarantees and may secure guarantee agreements with assets of the guarantor.

(4) An institutional lender may require payment from loan guarantors without initially exhausting all remedies against the borrower under the following conditions:

(a) if the guarantor is an owner of the applicant/licensee, i.e., partner, shareholder, member, and payment is made with the owner/guarantor's own funds or funds borrowed from an institutional or division approved noninstitutional source;

(b) if the guarantor is not an owner, payment may only be made as a loan to the owners or licensed borrower/entity. Funds used to loan the money for the payment under the guarantee, must be the guarantor's own funds or funds borrowed from an institutional source. The guarantor must also be found suitable as a source of credit as part of the application or loan approval process by submitting a personal history statement (Form 10) and a complete set of fingerprints (Form FD-258).

(5) A loan guarantor must annually elect to treat payments made under a loan guarantee agreement as loans, paid in capital, or other equity contributions, as required by the Internal Revenue Code.

(a) If the guarantor elects to treat the payments as loans to the licensee, the licensee must follow requirements for disclosing noninstitutional lenders found in ARM 23.16.120(7).

(b) If the guarantor elects to treat payments as an equity contribution, and such election changes the percentage of ownership in the license, an amended license application must be filed with the department at the time of the election to disclose the change. (History: 23-5-115, MCA; IMP, 16-4-801, 23-5-115, 23-5-118, 23-5-176, MCA; NEW, 1997 MAR p. 404, Eff. 2/25/97; AMD, 2010 MAR p. 1732, Eff. 7/30/10.)

Rules 23.16.123 and 23.16.124 reserved

23.16.125 CHANGE OF LIQUOR LICENSE TYPE (1) Except as otherwise required by ARM 23.16.116 or ARM 23.16.117, when an owner of a gambling operator license changes the type of alcoholic beverage license, the owner must submit an amended gambling license application on Form 39 and obtain department approval.

(2) The department may conduct an investigation to determine whether the proposed change of the license type meets the licensure requirements in 23-5-176, MCA, and department rules.

(3) The applicant may continue to operate during the time the amended application is being processed. (History: 23-5-115, MCA; IMP, 23-5-119, MCA; NEW, 1993 MAR p. 2786, Eff. 11/25/93; NEW, 1994 MAR p. 2834, Eff. 10/28/94; AMD, 2003 MAR p. 1282, Eff. 6/27/03; AMD, 2009 MAR p. 2480, Eff. 12/25/09; AMD, 2011 MAR p. 2628, Eff. 12/9/11.)

23.16.126 CHANGE OF LOCATION (1) Except as otherwise required by ARM 23.16.116 or ARM 23.16.117, when an owner of a gambling operator license changes the location of the alcoholic beverage license, the owner must submit an amended gambling license application and obtain department approval.

(2) A licensed manufacturer, distributor, or route operator may report a change of location on a Form 37 amended application.

(3) The department may conduct an investigation to determine whether the proposed change meets the licensure requirements in 23-5-176, MCA, and department rules.

(4) The gambling operator may continue to operate at the current location during the time the amended application is being processed. (History: 23-5-115, MCA; IMP, 23-5-117, MCA; NEW, 1993 MAR p. 2786, Eff. 11/25/93; NEW, 1994 MAR p. 2834, Eff. 10/28/94; AMD, 2009 MAR p. 2480, Eff. 12/25/09; AMD, 2011 MAR p. 2628, Eff. 12/9/11.)

23.16.127 CHANGE IN BUSINESS ENTITY TYPE (1) Except as otherwise required by ARM 23.16.116 or ARM 23.16.117, when the owner of a gambling operator license proposes a change in business entity, the owner must submit an amended gambling license application on Form 39 and obtain department approval.

(2) The department may conduct an investigation to determine whether the proposed change meets the licensure requirements in 23-5-176, MCA, and department rules.

(3) The applicant may continue to operate during the time the amended application is being processed. (History: 23-5-115, MCA; IMP, 23-5-115, 23-5-118, MCA; NEW, 2011 MAR p. 2628, Eff. 12/9/11.)

23.16.130 TRANSFERS OF OWNERSHIP INTERESTS IN LOCATIONS THAT DO NOT POSSESS AN ON PREMISE CONSUMPTION ALCOHOLIC BEVERAGE LICENSE GRANDFATHERED FOR THE PURPOSE OF OBTAINING PERMITS TO OPERATE VIDEO GAMBLING MACHINES (1) The two types of locations that do not possess an on premise consumption alcoholic beverage license and were grandfathered for the purpose of obtaining permits to operate video gambling machines are distinguished for the purpose of transferring ownership of the location. Premises operated for the principal purpose of gaming may be sold, assigned or transferred to a stranger to the license and retain the right to obtain video gambling machine permits. Ownership interests in premises that were not operated for the principal purpose of gaming cannot be sold, assigned or transferred to a stranger to the license and maintain the ability to permit video gambling machines.

(2) Both gaming and nongaming premises may transfer ownership of the licensed gaming operation to another form of business organization and retain the right to permit video gambling machines as long as no individuals who are strangers to the license are assigned an ownership interest. (History: 23-5-115, MCA; IMP, 23-5-306, 23-5-611, MCA; NEW, 1993 MAR p. 2786, Eff. 11/25/93; NEW, 1994 MAR p. 2834, Eff. 10/28/94.)

Subchapter 2

Gambling, Generally

23.16.201 INSPECTION OF LICENSED PREMISES, RECORDS, AND DEVICES (1) Any licensed premise where gambling-related activity is conducted or any premise connected to the operation of a licensed gambling-related activity shall at all times during normal business hours be open to inspection by the department or local law enforcement official in order to determine compliance with the law of Montana and rules of the department.

(2) At any time during which a licensed gambling activity is being operated upon a premise, the department may enter upon the premise without advance notice and:

(a) inspect the records related to the operation of any licensed gambling activity;

(b) inspect, including the dismantling and reassembly of, all pieces of equipment and parts thereof, or devices of any nature which are being used to conduct the licensed activity; and

(c) make a count of all monies involved in the operation of the licensed activity located on the premise. (History: 23-5-115, MCA; IMP, 23-5-115, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90.)

23.16.202 CREDIT PLAY PROHIBITED (1) All playing of games of chance must be on a cash basis. No credit may be extended to any player. Consideration to play a game of chance must be paid in full, in cash, in advance of any play.

(2) No operator may grant a loan of any kind at any time to a player or permit a deferred payment including post-dated checks or engage in any similar practice. A check or debit card used to obtain cash on the premises of a licensed operator must be delivered and accepted unconditionally. An operator may not accept or hold a check, credit card, or debit card pending the outcome of a gambling activity. An operator may not accept cash from the person who wrote the check to repurchase a check previously cashed on the premises, unless the cash is tendered by noon on the day following the date written on the check.

(a) Checks returned from a banking institution labeled "dishonored" or "non-sufficient funds" are not subject to the same date requirements of this rule.

Subchapter 12

Poker and Other Card Games

23.16.1201 DEFINITIONS As used throughout this subchapter, the following definitions apply:

(1) "Ante" means the amount of money or chips each player places into the pot before the first deal of each game.

(2) "Authority reference" means the Official Montana Poker Rulebook (version 2014) and Scarne's Encyclopedia of Card Games, copyright 1983, by John Scarne, pages 18 through 276. These books will be used by the department as the authority on how to play authorized card games. The authority references are adopted and incorporated by reference; copies of Scarne's Encyclopedia of Card Games may be obtained from local bookstores and copies of the Official Montana Poker Rulebook may be obtained from the Gambling Control Division web site www.doj.mt.gov/gaming. The sections of the books cited as authority will not apply where there is a conflict with state law or department rule.

(3) "Banking game" means a game where there is a fund against which everyone has the right to bet, the bank taking all that is lost by the bettors and paying all that is won. The test of such a game is whether the banker pays winnings and suffers losses. The game is not a banking game where the players bet against each other and settle with each other. Games in which any portion of the games includes betting against a fund are considered banking games.

(4) "Blind bet" means the money a player places into the pot before looking at his or her cards.

(5) "To burn a card" means to discard a card from the top of the deck and place it face down on the table according to house rules.

(6) "Card room contractor" means a person licensed by the department to operate one or more live card game tables on an operator's premises.

(7) "Card table" or "live card game table" means a table licensed by the department on which no more than one authorized card game is played at a time.

(8) "Dead card or hand" means a card or hand ruled out of play and ineligible to win any part of the pot.

(9) "Fouled hand" means a hand that either has an improper number of cards or has come in contact with discards.

(10) "Game" means a period in a session of play, from which emerges a winner(s).

(11) "Hand" means the cards dealt to or drawn by a player or the period of time in poker between dealing of the cards and winning of the pot.

(12) "House player" means any person who has a financial relationship with a dealer or an operator including, but not limited to, shills, proposition players, employees, or independent contractors.

(13) "Operator" means an individual licensed to conduct public gambling pursuant to Title 23, chapter 5, MCA.

(14) "Player" means a natural person participating in a live card game specifically authorized in Title 23, chapter 5, MCA, and described by these rules.

(15) "Poker" means a card game played by at least two players who bet against each other and settle with each other and not against the house. Poker is dealt by one dealer on a card table. A player bets on the card (hand) the player holds. There may be an initial ante round and/or blind bet by the players. After the players receive their starting card, there are one or more betting rounds. After all the dealing of cards and betting has occurred for a pot and there are two or more players still in contention, there is a showdown based on a maximum of five cards. The object of the game is for a player to win the pot either by making a bet no other player is willing to match or by having the best hand as described in these rules.

(16) "Pot" means all the bets placed by the players collected together.

(17) "Rake" means a set fee or percentage of the pot assessed by an operator for providing the services of a dealer, table, and location for public play.

(18) "Showdown" means the hands shown by all players remaining in the game.

(19) "Table stakes" means the amount of chips or cash in front of the player prior to the beginning of a hand. (History: 23-5-115, MCA; IMP, 23-5-115, 23-5-311, MCA; EMERG. NEW, 1990 MAR p. 286, Eff. 2/9/90; AMD, 1991 MAR p. 196, Eff. 2/15/91; AMD, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 1993 MAR p. 2786, Eff. 11/25/93; AMD, 1994 MAR p. 2834, Eff. 10/28/94; AMD, 1997 MAR p. 404, Eff. 2/25/97; AMD, 2013 MAR p. 1606, Eff. 10/1/13; AMD, 2014 MAR p. 1505, Eff. 7/11/14.)

23.16.1202 TYPES OF CARD GAMES AUTHORIZED (1) The following card games are authorized by law and must be played only in the manner set out for that game in the applicable authority reference:

(2) Card games not specifically authorized herein are prohibited.

(3) The department may approve other proposed variations of card games authorized by Title 23, chapter 5, MCA. Banking games are not considered variations of authorized card games that are eligible for department approval. Persons submitting card games for approval must provide the following information to the department:

(a) a complete description of the play of game, including but not limited to, the ranking of cards, betting procedures, number of cards in the showdown, and role of the house in the game; and

(b) the history of game.

(4) The department may require an actual demonstration of any game submitted for approval.

(5) Upon completion by the department of its investigation of a proposed card game variation, the department shall notify in writing the person submitting the card game variation of its intended action. If the person then desires a hearing, he or she must submit a written request to the department within 20 days. From that point onward, all proceedings shall be conducted in accordance with the Montana Administrative Procedure Act and the Attorney General's Model Rules of Procedure.

(6) No variations other than those authorized by the department may be played prior to department approval. At the operator's or card room contractor's discretion, the other side of the chip may have the operator's or card room contractor's name represented by a related design, symbol, abbreviation, or other identification which would differentiate the operator's or card room contractor's chips from those being used by every other operator or card room contractor.

(2) For a blind bet to be part of any game, it must be announced prior to beginning the deal. A blind bet may be used in addition to an ante. (History: 23-5-115, MCA; IMP, 23-5-311, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90.)

Rule 23.16.1230 reserved

23.16.1231 RAKE (1) The rake may be a percentage of the pot or a set fee established by the house and must be clearly posted. The rake must remain in a designated area until the pot is awarded. The chip tray cannot be used as a designated rake area. After the pot is awarded, the rake may then be placed in the chip tray, a segregated area, or drop box near the dealer.

(2) A percentage rake must be pulled from the pot in an obvious manner following the completion of each betting round.

(3) A percentage rake must be calculated based on the amount bet in each round and placed in a designated rake area which is clearly visible to all players.

(4) A card dealer who has no interest in the operator's license or card room contractor's license may not receive a share of a rake. (History: 23-5-115, MCA; IMP, 23-5-311, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90; AMD, 2007 MAR p. 848, Eff. 6/22/07.)

23.16.1232 OPERATION OF THE GAMES – TABLE STAKES (1) Play must always proceed in a clockwise direction, with each player's turn to act following the person on the player's immediate right.

(2) The operator or card room contractor may set a minimum buy-in, a maximum buy-in, or both, for each game. The operator or card room contractor must announce the length of time a player may leave the game and still be considered part of the same playing session.

(3) The dealer must advise each new player of rules of the game being played prior to the ante.

(4) A player may not remove any of his or her chips from the table until the player quits the game. However, a player may use chips to pay for other goods or services in the premises.

(5) Players may only purchase additional chips between hands.

(6) Concealed chips may not be used in play for a game.

(7) Only poker chips and/or cash on the table (table stakes) at the start of a hand may be in play for that pot. (History: 23-5-115, MCA; IMP, 23-5-309, 23-5-311, 23-5-312, 23-5-313, 23-5-324, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90; AMD, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 2013 MAR p. 1606, Eff. 9/6/13.)

23.16.1233 FOULED HANDS (1) A player is responsible for taking reasonable steps to protect his/her hand by holding on to it or by placing one or more chips on it. A player who fails to take reasonable steps to protect his or her hand shall have no relief if that hand is "fouled" as defined in this subsection, or is accidentally taken in by the dealer. A fouled hand or a hand accidentally taken by the dealer is a dead hand, as defined in this subsection.

(2) A protected hand may not be ruled fouled by accidental contact with discards unless it is impossible to completely reconstruct. A player who has a protected hand taken in by the dealer or fouled by discards through no fault of the player is entitled to be refunded from the pot all the chips the player put in the pot on that game. In disputed cases, the dealer's decision is final. (History: 23-5-115, MCA; IMP, 23-5-311, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90.)

23.16.1234 THE DEAL (1) Each card dealt must be the top card of the deck. The order of future ownership of cards that will be in play is not to be disturbed at any time during the deal of a game.

(2) When the dealer burns a card, it must be placed facedown on the table before dealing any round of cards. Burned cards must be kept separate from the discards throughout the hand.

(3) A player facing a bet who announces a fold shall have a dead hand.

(4) All pots must be awarded by the dealer only. When the dealer has awarded the pot and it has been taken in by that player without a claim made against it, the award stands. No player may make an agreement with any other player regarding the pot. Each game must be played to conclusion and the pot awarded to the actual winning player.

(5) The dealer may place a maximum time limit on players during which time a player must act on his or her hand. At the lapse of the time limit, if there has not been a bet to the player, the player must check; if there has been a bet to the player, the player's hand is dead. However, the dealer shall provide a reasonable warning to the player prior to the application of this subsection. (History: 23-5-115, MCA; IMP, 23-5-311, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90.)

Rules 23.16.1235 and 23.16.1236 reserved

23.16.1237 BETTING (1) A player who unintentionally puts fewer chips into the pot than are needed to call a bet must either complete the call or withdraw his or her chips and fold.

(2) If an improper number of chips are bet by a player and the dealer puts the player's chips into the pot without making or hearing an immediate objection, it must be considered a bet by the player.

(3) A player must place his entire bet in front of the player at one time. Unless a player has failed to place the necessary amount of chips to call a bet or to signify a raise, the player may not place additional chips into the pot (no string bets). The dealer may allow a single apparent string bet, but must caution the player that such bets are not allowed.

(4) A player confronted by a bet larger than the player's table stakes may "call" with the amount of chips in front of the player ("all in" bet). The excess part of the bet is either returned to the bettor(s) or used to form a side pot with another player or players by matching the amount called.

(5) A side pot or other wager on the outcome of a hand is prohibited unless an "all in" bet is made as provided for in (4).

(6) In stud poker without a blind, the highest or lowest up card may be designated to initiate action if a house rule is posted to identify which method will be used. (History: 23-5-115, MCA; IMP, 23-5-309, 23-5-311, 23-5-312, 23-5-313, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90; AMD, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 2013 MAR p. 1606, Eff. 9/6/13.)

Rule 23.16.1238 reserved

23.16.1239 IMPROPER DEAL (1) A card improperly dealt faceup, flashed as it is dealt so a player might know its identity, a joker dealt when the joker is not being used in the game, or a downcard dealt off the table is considered an exposed card. A card exposed by a player is not an exposed card. An exposed card must be replaced.

Subchapter 13

Live Keno

23.16.1301 PLAY OF SUCCESSIVE KENO GAMES (1) A player may play successive keno games by paying for the games in advance only if he or she remains on the licensed premises. A player requesting to play multiple and successive keno is limited to the number of successive games allowed by the house. All games must be paid for in advance and any and all prizes won must be personally claimed by the player after the last game paid for and before the next game begins. Failure to personally claim prizes won by the player after the multiple games played will result in forfeiture of any prizes won.

(2) Any licensee allowing play of successive keno games must clearly post the house limits as to the number of successive games allowed, the requirement for payment in advance for the number of games to be played, the requirement to remain on the licensed premises while the games are played, and the requirement to personally claim any prizes before leaving the premises.

(3) In no case may prizes won on previous games be automatically carried forward to extend play for games beyond the number indicated when the player paid the caller.

(4) Record keeping for the play of successive games must be in accordance with these rules. (History: 23-5-115, MCA; IMP, 23-5-412, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90.)

Rules 23.16.1302 and 23.16.1303 reserved

23.16.1304 APPROVED VARIATIONS OF KENO (1) Approved variations of keno are:

(a) A straight ticket in which a player picks from one to ten numbers and wagers that the numbers will be duplicated entirely or in part from the group of numbers drawn.

(b) A split ticket consisting of two or more straight tickets written on a single keno card. Each group on a split ticket is treated as if it were a single straight ticket.

(c) A way ticket in which a player selects three or more equal groups of numbers which when taken at least two groups at a time comprise several straight ticket combinations.

(d) A combination way ticket in which a player simultaneously combines any or all of the variations described in (1)(a), (b), and (c).

(e) A king ticket in which a single number, commonly known as a king number, is matched with each group of numbers selected. The king number is treated as any circled number group as used in way and combination way tickets.

(2) A group of numbers resulting from combining smaller groups for way, combination way, or king tickets may not exceed a total of ten numbers. (History: 23-5-115, MCA; IMP, 23-5-412, MCA; NEW, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 2009 MAR p. 2480, Eff. 12/25/09.)

23.16.1305 METHODS OF IDENTIFICATION (1) A player shall clearly identify and separate on his inside keno card as defined in ARM 23.16.2401 any group of numbers selected for a split, way, combination way, or king ticket by drawing a:

(a) line between or circle around each group for a split ticket; or

(b) circle around each group for a way, combination way, or king ticket.

(History: 23-5-115, MCA; IMP, 23-5-412, MCA; NEW, 1991 MAR p. 1942, Eff. 10/18/91.)

23.16.1306 RECORDING REQUIREMENTS - BET LIMITS (1) A keno caller shall record in the margin (sideline) of an outside keno card as defined in ARM 23.16.2401 each wager made by a player, other than for a straight ticket, by using a standard fractional format that identifies the number of wagers by group size (e.g., 2/4 for two wagers each placed on a different group of four numbers). Only the wagers recorded in the margin (sideline) may be winners. The total amount wagered by the player must be written on the front of the outside keno card.

(2) No more than 50¢ may be wagered on each group of numbers on a keno card, and no more than \$100 may be awarded as a prize for each winning group of numbers. (History: 23-5-115, MCA; IMP, 23-5-412, MCA; NEW, 1991 MAR p. 1942, Eff. 10/18/91.)

(a) The master square of the card must be divided into spaces arranged in horizontal rows and vertical columns.

(b) The numbers for each horizontal row and vertical column must be randomly assigned after the person conducting the pool closes the pool to additional sale of spaces but prior to the beginning of the sports event or the first event in a series of sport events. (3) A participant who wishes to purchase a chance on more than one traditional, series, or multiple way sports pool must select a space or spaces on each of the boards. After the sale of all chances, the master square of any such board may not be duplicated or altered in any manner so as to create additional sports pool boards.

(4) The sports pool card shall, in advance of any sale of any chance, clearly indicate:

(5) After each prize is awarded, the names of the winners of each prize must be prominently displayed on each card.

(6) A sports pool card must be retained by the person conducting the sports pool for at least 90 days from the date of the sports event, or last event in a series of sports events, whichever occurs first, upon which the sports pool was based.

23.16.1703 SALE OF SPORTS POOL CHANCES (1) The total cost of a chance shall not exceed \$25 per sports event, or \$25 per sports event for a series sports pool as described in 23.16.1705(3)(b), and must be paid in full and in cash at the time the chance is selected.

No portion of the money collected in the sale of sports pool chances, including any share designated for charitable purposes, if any, may be separated from the total amount of proceeds collected on the sports pool board until after the sports event upon which the pool was based has occurred.

(History: 23-5-115, 23-5-512, MCA; IMP, 23-5-502, 23-5-503, 23-5-512, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90; TEMP, AMD, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 2013 MAR p. 1606, Eff. 10/1/13.)

23.16.1704 DETERMINATION OF SPORTS POOL WINNERS - PRIZES

(1) There must be at least one winner from among the participants in a sports pool. A winner or winners are determined by the score or place attained by one or more competitors in the sports event upon which the sports pool is conducted.

(2) The prizes awarded to the winner or winners of a sports pool may be cash or merchandise but must not exceed a total value of \$2,500 per sports event.

(a) Where the prize awarded is merchandise, the purchase price paid for the item(s) of the merchandise prize is considered to be the value of the prize. Proof of the purchase price of the item(s) of the merchandise prize shall be retained for a period of at least 90 days from the date of the sports event.

(b) Subject to (4), if the value of the merchandise prize is less than the amount of money paid by all participants for the chance to participate, the person conducting the sports pool shall award the balance to the winner(s).

(3) All prizes must be available for distribution to winners immediately at the end of the sports event or at the end of each sports event in a series of events.

(4) A nonprofit organization may retain up to 50 percent of the proceeds from the sale of chances in a sports pool if the nonprofit organization meets the requirements of 23-5-503, MCA. (History: 23-5-115, MCA; IMP, 23-5-502, 23-5-503, 23-5-512, MCA; EMERG, NEW, 1990 MAR p. 286, Eff. 2/9/90; TEMP, AMD, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 2013 MAR p. 1606, Eff. 10/1/13.)

23.16.1705 AUTHORIZED SPORTS POOLS (1) Authorized sports pools described in this rule are identified by a title to distinguish one pool type from another. The controlling factor as to the legality of a sports pool is not the pool's title but the method and manner in which the pool is conducted.

(2) The conduct of an authorized sports pool is subject to the provisions of 23-5-501 through 23-5-503, MCA, and department rules.

(3) The following sports pools are authorized under 23-5-501 through 23-5-503, MCA:

(a) A "traditional sports pool" involving a single sports event with two competitors that is conducted on a sports pool card containing a master square with 25, 50, or 100 spaces. Each space is randomly assigned a unique pair of numbers from the vertical and horizontal axis of the master square.

(i) A winner is determined by matching the numbers assigned to a space with the only or last digit of the score of each competitor in the sports event at the end of the event.

(ii) Winners may also be determined by the score at predetermined intervals during the event as long there is also a winner and prize awarded based upon the score at the end of the event. If any prize is awarded for a score attained at a predetermined interval, the value of any such prize may not exceed the value of the prize awarded for the score attained at the end of the event.

(b) A "series sports pool" conducted on a master square in conjunction with a series of sports events. The pair of numbers assigned to each space on the master square remains the same for each sports event in the series. The competitors in each sports event in the series may be individual teams or a combination of teams (e.g., a group of teams designated as home teams versus a group of teams designated as away teams). Spaces must be sold for all events in the series of sports events and may not be sold for individual events. Winners for each sports event in the series are determined:

(i) in the same manner as in a traditional sports pool; or
(ii) in the same manner as in a traditional sports pool for the first sports event in the series. For the second and subsequent events, winners are determined by combining the scores generated by each competitor in the previous events.

(c) A "multiple way sports pool" conducted on a master square with multiple sets of numbers randomly assigned to the horizontal and the vertical axes representing certain intervals of a single sports event or individual sports events in a series of events. Winners are determined in the same manner as in a traditional sports pool.

(d) A "selected point sports pool" in which the winner is the participant whose randomly assigned competitor is the first to attain a final score that matches a predetermined number (e.g., 28, 39).

(i) The number of participants in a selected point sports pool is limited to the number of competitors in an established league. Competitors are randomly assigned to the participants and may be assigned for a single week or the duration of the pool.

(ii) If declared by publicly posted rules before the sale of any chances, the pool may be designed to carry over the prize from week to week until a competitor's score matches the preselected score, or until the pool's predetermined conclusion if none of the competitor's scores match the preselected score. Subject to the limits provided in (d)(iii), participants may be required to increase their wager each week until a match occurs, or until the pool's predetermined conclusion if none of the competitor's scores match the preselected score. A competitor assigned to a participant who fails to pay the increased wager or otherwise drops out of the pool at any time before a winner is declared must be deleted from the list of competitors in the league.

(iii) The pool must be designed so that the total of each participant's wager(s) does not exceed \$25, the total value of all prizes equals the total of all wagers, and the total value of all prizes awarded does not exceed \$2,500.

(iv) If no competitor obtains the preselected score before the predetermined conclusion to the pool, the prize(s) must be awarded to the participant(s) whose assigned competitor has achieved a score closest to the preselected score, or an alternate score, as may be established by publicly posted rules before the sale of any chances.

(e) A "blackout sports pool" in which the winner is the participant who holds the randomly assigned competitor that first accumulates scores on succeeding weeks whose only or final digit corresponds to all of the numbers zero through nine. A variation of this pool tallies only those scores in which the competitor is the winner of a sports event. The number of participants is limited to the number of competitors in an established league.

(f) A "weekly sweepstakes sports pool" in which a different competitor or competitors are randomly assigned to participants for each week. The winner is determined by the most or least points scored by the competitor or competitors assigned to a participant or by the most games won by the competitors assigned to a participant. The number of participants is limited to the number of competitors in a league or to the maximum combination of competitors in a league.

(g) A "multiple competitor sports pool" in which three or more competitors simultaneously compete in a sports event or series of sports events as individuals, not as a team, such as in a car race or golf tournament. Competitors are randomly assigned to participants, and a pool winner is determined by the score or place that the competitor attains in the sports event or series of sports events. (History: 23-5-115, 23-5-512, MCA; IMP, 23-5-502, 23-5-503, 23-5-512, MCA; TEMP, NEW, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 2012 MAR p. 402, Eff. 2/24/12; AMD, 2013 MAR p. 1606, Eff. 10/1/13; AMD, 2014 MAR p. 1505, Eff. 7/11/14.)

23.16.1706 PROCEDURES FOR APPROVING VARIATIONS OF AUTHORIZED POOLS (1) A variation of an authorized sports pool may not be conducted unless approved by the department.

(2) A person requesting approval from the department for conducting a variation of an authorized sports pool shall submit the following information to the department:

- (a) a detailed description of the operation of the pool, which verifies that:
 - (i) there would be at least one winner from among the participants in the sports pool;
 - (ii) each participant would have an equal chance to win; and
 - (iii) competitors would be randomly assigned to each participant.
- (b) a description of the method of choosing a winner; and
- (c) an illustration or sample of the card used to conduct the pool.

(3) The department may request additional information, including a demonstration of the sports pool variation submitted for approval.

(4) After reviewing the proposed sports pool variation, the department shall notify in writing the person submitting the variation of its intended action. If the person desires a hearing he shall submit a written request to the department within 20 days. Upon receipt of the request, all proceedings must be conducted according to the Montana Administrative Procedure Act and the Attorney General's Model Rules of Procedure. (History: 23-5-115, MCA; IMP, 23-5-512, MCA; TEMP, NEW, 1991 MAR p. 1942, Eff. 10/18/91.)

(2) A licensee conducting such a sports pool must comply with additional health or safety measures as may be required by the county board of health or local law enforcement officials in which the premises are located. (History: 23-5-115, MCA; IMP, 23-5-502, MCA; NEW, 1993 MAR p. 2786, Eff. 11/25/93; NEW, 1994 MAR p. 2834, Eff. 10/28/94.)

(3) Before the sale of any sports tabs in a sports tab game, the sponsor shall describe the game by prominently displaying the following information on the sports tab card or on a board to which the card is attached:

- (j) name of the competitors and the date of the sports event that will be substituted for the original sports event if it is cancelled.

(4) After sale of the sports tabs begins, the sponsor:

- (a) may not cancel the sports tab game or alter the game in any manner; and
- (b) shall award all prizes at the end of the sports event in accordance with the description required under (3), regardless of whether all sports tabs on the sports tab card are sold to participants before the start of the sports event.

(5) The sports tab games purchased must have a permanent, unduplicated serial number printed on the sports tab card and have the same number printed on each sports tab affixed to the sports tab card. The sports tab cards must not have any concealed numbers on the card other than those concealed by the 100 sports tabs.

(6) All money paid to participate in each sports tab game shall be kept separate from any other money. No share for charitable contributions or administrative expenses may be separated from the total amount collected until after the sports event has occurred. (History: 23-5-115, MCA; IMP, 23-5-501, 23-5-503, MCA; TEMP, NEW, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 1998 MAR p. 1176, Eff. 5/1/98; AMD, 2012 MAR p. 402, Eff. 2/24/12; AMD, 2013 MAR p. 1606, Eff. 9/6/13.)

(3) The identification decal must be placed on the machine in such a manner that the identification decal is not obstructed from view and can be permanently maintained.

(4) Upon the request of a licensed manufacturer, distributor, operator, or route operator, the department will provide replacement identification decals for decals that have been destroyed or removed.

(5) For all video gambling machines validly permitted at the time this rule becomes effective, identification decals may be placed on the machines:

(a) by an employee of the department; or

(b) by a route operator who shall submit audit tapes and documents verifying the placement on the proper machine. (History: 23-5-621, MCA; IMP, 23-5-621, 23-5-637, MCA; NEW, 2006 MAR p. 2131, Eff. 9/22/06.)

Rules 23.16.1812 through 23.16.1820 reserved

23.16.1821 AUTHORITY TO OPERATE (REPEALED) (History: 23-5-605, MCA; IMP, 23-5-605, 23-5-611, 23-5-612(1), MCA; EMERG, NEW, 1985 MAR p. 1623, Eff. 11/1/85; TRANS, from Dept. of Revenue, Ch. 154, L. 1987, Eff. 3/22/87; REP, 1987 MAR p. 1972, Eff. 10/30/87; TRANS, from Dept. of Commerce, Ch. 642, L. 1989, Eff. 7/1/89.)

23.16.1822 PERMIT NOT TRANSFERABLE (1) Except as provided below, any permit to operate an electronic video gambling machine is only valid for the permit holder and the premises identified on the permit application.

(2) When, during the first quarter of the permit year, a gambling operation changes ownership and the application for a new gambling operator license has been approved, the permit fee for the machines on the premises is \$25 per machine if the \$240 licensing fee has already been paid for that machine for the permit year.

(3) A permit is also restricted to the particular machine approved by the department and identified on the permit application. No additional permit fee will be charged when a licensed premises changes its location and its permitted video gambling machines also move to the new location. No additional permit fee will be charged when permitted video gambling machines are converted to multigame and the owner of the machines has connected or signed an agreement with the department to be connected to the automated accounting and reporting system.

(4) A machine may not be moved from a licensee's premises and placed in service at another premises unless application is made for a new electronic video gambling machine permit, the permit fee is paid, and a new permit is issued. A new permit is required even if a machine has a current, unexpired permit for the former location.

(5) If a machine is destroyed as a result of an accident, criminal act, or natural disaster, and then replaced by a newly permitted machine, the unused portion of the fee paid on the destroyed machine will be applied as a credit to the fee due on the replacement machine. The department may require proof of destruction before credit is applied.

(6) A completed Letter of Withdrawal (LOW) must be submitted to the department when a permitted machine is removed from play and the premises prior to the renewal deadline of each year, June 30. The LOW must be submitted no later than ten days from the date the machine is removed from play. A LOW form is available upon request from the department. The LOW is not complete unless it is dated and signed by the licensee or a designated representative, and contains all of the information and attachments required by the department. Except as provided in (8), the provisions of this rule do not apply to a machine temporarily removed from play for repair service.

(7) Completed LOWs must also be submitted to the department for machines removed from play for the following reasons:

(a) a licensed location is closed for remodeling and machines are out of play for 30 days or more;

(b) a licensed location is opened only seasonally and machines are out of play for 30 days or more; or

(c) the liquor license associated with a licensed location/operator is placed on non-use status and machines are taken out of play for 30 days or more; or

(d) the gambling operator's license has been suspended, revoked, or otherwise terminated.

(8) A LOW must be submitted for machines removed from play for service when the operator determines that it will not be placed back into play during the permit year and will not be renewed at its current location.

(9) In each of the circumstances outlined under (7) and (8), the LOW is due within ten days of the date the requirement for submission has been met. In addition, a new permit will be issued if the machine is placed back in play at the location prior to the end of the fiscal year. The licensee must submit a completed replacement form for issuance of a new permit, and there will be no additional permit fee. (History: 23-5-115, 23-5-621, MCA; IMP, 23-5-603, 23-5-611, 23-5-612, 23-5-621, MCA; EMERG, NEW, 1985 MAR p. 1623, Eff. 11/1/85; TRANS, from Dept. of Revenue, Ch. 154, L. 1987, Eff. 3/22/87; AMD, 1987 MAR p. 1972, Eff. 10/30/87; TRANS, from Dept. of Commerce, Ch. 642, L. 1989, Eff. 7/1/89; AMD, 1990 MAR p. 828, Eff. 4/27/90; AMD, 1993 MAR p. 2786, Eff. 11/25/93; AMD, 1994 MAR p. 2834, Eff. 10/28/94; AMD, 1997 MAR p. 404, Eff. 2/25/97; AMD, 2002 MAR p. 2441, Eff. 9/13/02; AMD, 2003 MAR p. 1989, Eff. 9/12/03; AMD, 2005 MAR p. 2248, Eff. 11/11/05; AMD, 2006 MAR p. 2916, Eff. 11/23/06; AMD, 2013 MAR p. 1340, Eff. 7/26/13.)

23.16.1823 PRORATION OF PERMIT FEE – RENEWAL (1) The department shall prorate the permit fee for a video gambling machine on a quarterly basis according to the following schedule:

Effective Dates For Permit	Permit Fee
July 1 through June 30	\$240
October 1 through June 30	\$180
January 1 through June 30	\$120
April 1 through June 30	\$60

(2) When applying for a video gambling machine permit, a licensed gambling operator shall indicate on the permit application the calendar quarters that he intends to operate the machine.

(3) An application for renewing a permit must be submitted to the Gambling Control Division of the department upon forms prescribed by the department, the permit fee paid, and a new gambling operator license issued which lists the machine for which the permit is issued before a previously permitted machine may be operated after midnight on June 30.

(4) Video gambling machine permits may not be issued to a licensee whose premises are subject to the common ownership restriction contained in 23-5-629, MCA, unless the department receives written application from the common owners that provides written consent and authorization to permit the video gambling machines at one of the identified locations under common ownership.

(5) Licensees whose premises are subject to the common ownership restriction contained in 23-5-629, MCA, but who are authorized to receive permits until September 30, 2005, may upon application receive temporary video gambling machine permits that will expire on September 30, 2005. Upon or prior to expiration of the temporary permits, the licensee shall file a letter of withdrawal and quarterly report for each video gambling machine as required by law. The department shall only charge a final-quarter fee (e.g., April 1 through June 30) for such temporary permits.

(6) The department may consider the same criteria for renewal of permit as for the original issuance of permit. Failure to satisfy the permit criteria contained in the act and these rules may result in denial of renewal of permit. 23.16.1826 QUARTERLY REPORTING REQUIREMENTS (1) Machine owner quarterly reporting requirements are as follows:

(a) For each machine not utilizing an approved automated accounting and reporting system, the machine owner or his designated representative must file with the department a quarterly tax report signed by the machine owner or his designated representative. The forms prescribed and supplied by the department require readings from the mechanical and electronic meters as required by the act. The report will be used by the department to verify payment of all taxes and the winning percentage of the machine as required by the act. The following requirements apply:

(i) The report must be delivered to the Gambling Control Division, 2550 Prospect Ave., P.O. Box 201424, Helena, MT 59620-1424, or bear a United States postal service postmark not later than midnight of the 15th of the month following the quarters ending March 31, June 30, September 30, and December 31.

(ii) The mechanical and electronic meter readings must be taken at the same time and recorded for the report within seven days of the close of the operator's last day of business in the reporting quarter. The readings must be supported by the original printed accounting ticket.

(iii) The report is due on each machine after it has been permitted.

(b) For each machine utilizing an approved automated accounting and reporting system, the machine owner or his designated representative shall transmit files to the department with the following information:

(i) for tier I systems, all electronic meter readings and all events set out in ARM 23.16.2105 for each day the machine is in operation, and the last set of meter readings received before the end of the quarter (meter readings received no more than seven days before the end of the quarter) will be used as quarter end readings for purpose of calculating a tax advisory to be sent to machine owners;

(ii) for tier II systems, all electronic meter readings for each week or two week period for which the machine is approved to report, and within 14 days prior to the end of the quarter but not later than seven days after the last day of each quarter, all electronic and mechanical meter readings, along with an indication that it is the last reading to be reported in the quarter; and

(iii) for tier II systems, before- and after-service electronic and mechanical meter readings must be submitted in a format prescribed by the department, if meters are reset or malfunction.

(c) For machines utilizing an approved automated accounting and reporting system, after the final set of meter readings for the quarter is received, the department will electronically transmit a machine income and tax advisory by machine and location to the machine owner. Upon receipt of the machine income and tax advisory, the owner must contact the department within seven days in order to dispute the machine income and tax advisory.

(d) The machine owner will have until midnight of the 15th day of the month following the quarters ending March 31, June 30, September 30, and December 31 to confirm and pay any tax due by electronic check or credit/debit card.

(2) If a machine owner shares machine ownership, or a machine's revenues with another person or business entity, the machine owner or his designated representative must provide upon the same quarterly tax form prescribed by the department in (1), information for each machine as follows:

(a) full identification including name, address, and social security number (or federal identification number) of all persons or business entities involved in the above-mentioned business relationship;

(b) percentages of participation in machine income by each person or business entity involved in the above-mentioned business relationship; and

(c) specific machine income (total collections less amounts paid to players without adjustment for expenses) paid to and/or received by each person or business entity involved in the above-mentioned business relationship.

(3) Form 6 is a quarterly video gambling machine tax report; form 6 is incorporated by reference and is available from the Gambling Control Division, 2550 Prospect Ave., P.O. Box 201424, Helena, MT 59620-1424, or on the department's web site www.doj.mt.gov/gaming.

(4) For the purposes of this rule the term theft includes the physical break-in or entry into the video gambling machine, or manipulation of the machine by external means, resulting in the accumulation of credits available for redemption without the insertion of money. If the gross income reported for a machine has been reduced to reflect a loss resulting from a theft from the machine, the machine owner or his designated representative shall submit the following information together with the quarterly report:

(a) documentation from a law enforcement agency verifying that the theft was reported;

(b) a letter or other document signed by the machine owner's business insurance agent indicating the amount paid or to be paid, if any, by the insurer to cover the loss resulting from the theft; and

(c) the last cash-access accounting ticket generated before the theft occurred and the first cash-access accounting ticket generated after the theft occurred. The tickets will be used by the department to calculate the maximum amount that may be deducted for a loss resulting from a theft.

(d) In all cases the theft loss must be supported by records required in ARM 23.16.1827.

(5) If the machine owner or his designated representative fails to file the quarterly tax report or remit the required gross machine income tax when due, the following penalties will be assessed:

(a) 0 - 30 days late = 10% of tax due;

(b) 31 - 60 days late = 25% of tax due;

(c) 61 - 90 days late = 50% of tax due;

(d) 91 days or more = 100% of tax due.

(6) The imposition of these penalties does not preclude the department from taking further action against the machine owner responsible for preparing the report, including, but not limited to, temporary cease and desist orders under 23-5-136, MCA. (History: 23-5-115, 23-5-621, MCA; IMP, 23-5-136, 23-5-610, 23-5-621, 23-5-637, MCA; EMERG, NEW, 1985 MAR p. 1623, Eff. 11/1/85; TRANS, from Dept. of Revenue, Ch. 154, L. 1987, Eff. 3/22/87; AMD, 1987 MAR p. 1972, Eff. 10/30/87; TRANS, from Dept. of Commerce, Ch. 642, L. 1989, Eff. 7/1/89; AMD, 1990 MAR p. 1172, Eff. 4/27/90; AMD, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 1993 MAR p. 2786, Eff. 11/25/93; AMD, 1994 MAR p. 2834, Eff. 10/28/94; AMD, 1997 MAR p. 404, Eff. 2/25/97; AMD, 1999 MAR p. 2048, Eff. 9/24/99; AMD, 2006 MAR p. 2131, Eff. 9/22/06; AMD, 2009 MAR p. 2480, Eff. 12/25/09; AMD, 2013 MAR p. 1606, Eff. 9/6/13.)

23.16.1826A REPORTING FREQUENCY FOR APPROVED AUTOMATED ACCOUNTING SYSTEMS – EXCEPTIONS (1) Tier I systems shall transmit the information required by ARM 23.16.2105 each day.

(2) Tier II systems shall transmit the information required by ARM 23.16.2105 at either seven day or 14 day reporting intervals. The election of a specific reporting interval shall be made by the machine owner or a designated representative on the application to utilize an approved automated accounting system (form 34). Route operators shall notify the division of their election of reporting intervals, or change of election of reporting intervals, on form 34(a).

(3) A machine owner or a designated representative who fails to timely transmit the required information will receive a notice from the department identifying the reporting failure. Prior to the next reporting interval, the machine owner or a designated representative must respond to the department notice with a statement explaining the reason for the reporting failure.

(4) When the explanation for the reporting failure does not demonstrate the inability of the machine owner or a designated representative to physically access the machine in order to meet the reporting interval, or when multiple reporting failures demonstrate an inability to physically access the machine, the department may require more frequent reporting intervals, require longer periods of record retention, or take any action authorized under 23-5-136, MCA. (History: 23-5-621, MCA; IMP, 23-5-610, 23-5-621, 23-5-637, MCA; NEW, 2006 MAR p. 2916, Eff. 11/23/06; AMD, 2009 MAR p. 2480, Eff. 12/25/09; AMD, 2013 MAR p. 1606, Eff. 9/6/13.)

23.16.1827 RECORD KEEPING REQUIREMENTS (1) Machine operation records must be maintained and made available for inspection by the department upon request. The records must be maintained by the machine owner. The records must provide all necessary information the department may require to ensure operation of machines in compliance with the law.

(2) Except as provided in (4), records to be maintained by machine owners continuing to file reports and maintain records manually and those using tier II automated accounting and reporting systems must include:

(a) a correct lifetime audit ticket as provided for by department rules, which must include progressive accounting data if applicable. For those reporting manually and on a tier II automated accounting and reporting system on a 7-day reporting interval, the lifetime audit ticket must be printed for each machine at least once every seven days. For those reporting on a tier II automated accounting and reporting system on a 14-day reporting interval, the lifetime audit ticket must be printed for each machine at least once every 14 days;

(b) the exact copy of all printed ticket vouchers and audit tickets, i.e. the duplicate audit tape(s) created at the time each audit or payout ticket is printed;

(c) readings of each machine's mechanical meters at least once every two weeks;

(d) documentation of total actual cash counted for the licensed location for the same period as the mechanical meter readings were taken as required in (2)(c); and

(e) a three-way reconciliation of the total actual cash count required in (2)(d), and the total cash activity reflected by both the electronic and mechanical meter readings required in (2)(b) and (c). The three totals, actual cash, electronic readings, and mechanical readings must be calculated and reconciled for the same time period and must be completed at least once every two weeks. Any material difference must be documented and the reason for the difference substantiated. A material difference means a difference in the amount of cash counted and cash reflected by the meters that is the lesser than 5% of the total monies placed in the machines during the reconciliation time period or \$100. If the difference is due to gambling device malfunction(s), the device(s) must be taken out of play, repaired and service form(s) submitted to the department, before the machine is returned to play. Following a material difference, the machine owner must maintain documentation of the cash count required by (2)(d), by individual machine, until notification is submitted to the department to substantiate that the malfunction has been corrected.

(3) Machine owners using tier I accounting and reporting systems must maintain the following records:

(a) a correct lifetime audit ticket as provided for by department rules, which must include progressive accounting data if applicable. The lifetime audit ticket must be printed for each machine at least once every 7 days; and

(b) the exact copy of all printed ticket vouchers and audit tickets, i.e., the duplicate audit tape(s) created at the time each audit or payout ticket is printed.

(4) Machine owner's records required by this rule must be maintained in the State of Montana by the machine owner or his representative for the following periods:

(a) machine owners who continue to file reports and maintain records manually must retain those records a minimum of 12 full quarters from the previous quarterly report due date; and

(b) machine owners using a tier I or tier II system must maintain records for a period of four quarters.

(5) Records to be maintained by machine owners on machines with approved audit storage devices (ASD units) must include:

(a) all video gambling machine records required pursuant to 23.16.1902 either on the original ASD device or other electronic media which allow for retrieval and review or transmittal to the department for review; and

(b) all other machine records as required in (2)(c), (d), and (e).

(6) If the machine owner does not keep records as required in this rule, the department may estimate the tax by utilizing the best available method, e.g., average net daily income for a region, estimate based on historical performance, or a gross-up based on established payouts. The department is not limited to the aforementioned methods of estimating income. However, any method used must be justifiable given the factual circumstances, and is subject to administrative and judicial review.

(7) For any violation of the record keeping requirements found in this rule, the department may:

(a) act by means of temporary cease and desist orders under 23-5-136(1)(a), MCA; or

(b) impose civil penalties under 23-5-136(1)(b), MCA. (History: 23-5-115, 23-5-621, 23-5-637, MCA; IMP, 23-5-115, 23-5-136, 23-5-610, 23-5-621, 23-5-628, 23-5-637, MCA; EMERG, NEW, 1985 MAR p. 1623, Eff. 11/1/85; TRANS, from Dept. of Revenue, Ch. 154, L. 1987, Eff. 3/22/87; AMD, 1987 MAR p. 1972, Eff. 10/30/87; TRANS, from Dept. of Commerce, Ch. 642, L. 1989, Eff. 7/1/89; AMD, 1990 MAR p. 828, Eff. 4/27/90; AMD, 1991 MAR p. 1942, Eff. 10/18/91; AMD, 1993 MAR p. 2786, Eff. 11/25/93; AMD, 1994 MAR p. 2834, Eff. 10/28/94; AMD, 1997 MAR p. 404, Eff. 2/25/97; AMD, 1998 MAR p. 1176, Eff. 5/1/98; AMD, 1999 MAR p. 2048, Eff. 9/24/99; AMD, 2006 MAR p. 2916, Eff. 11/23/06; AMD, 2008 MAR p. 1804, Eff. 8/29/08; AMD, 2009 MAR p. 84, Eff. 1/30/09.)

23.16.1828 GENERAL REQUIREMENTS OF OPERATORS, MANUFACTURERS, MANUFACTURERS OF ILLEGAL DEVICES, DISTRIBUTORS, AND ROUTE OPERATORS OF VIDEO GAMBLING MACHINES OR PRODUCERS OF ASSOCIATED EQUIPMENT (1) Every operator,

manufacturer, manufacturer of illegal devices, distributor, or route operator must retain for a period of three years all records relating to the possession, destruction, purchase, lease, rental, or sale of any gambling device. For purpose of this rule, three years means a minimum of 12 full quarters from the previous quarterly tax return due date. The information detailed in (2)(a), (b), (c), and (d) must be retained on each individual machine.

(2) An operator, manufacturer, manufacturer of illegal devices, distributor, or route operator must provide the division with a current list of all video gambling machines owned at the times of application and licensure and provide status reports as required by the department. These reports must include the following information:

- (a) manufacturer;
- (b) model;
- (c) serial number;
- (d) location machine is stored.

(3) Every operator, manufacturer, distributor, route operator, or producer of associated equipment desiring to sell, distribute, lease, or rent video gambling machines or associated equipment in this state or ship video gambling machines to a final destination within the state must:

(a) be issued and maintain all required federal, state, county, and municipal licenses and registrations;

(b) furnish to the department monthly reports identifying the quantities, serial number, manufacturer and model number of each machine such person destroys, purchases, or sells, and such other information the department may determine is necessary to regulate and control video gambling machines in accordance with the act and these rules. All such monthly reports must be filed with the department within 15 days after the end of each required monthly reporting period. The department shall not approve a permit without prior notification of shipment by the machine's manufacturer.

(4) Every manufacturer or distributor proposing to import video gambling machines not approved under ARM 23.16.1901 for research and development or proposing to export legal gambling machines from the state must:

(a) comply with the applicable requirements of ARM 23.16.2001(5) and report such shipments to the department on form 22; and

(b) receive prior approval. If the department has taken no action within five working days of receipt of form 22, the application for approval is deemed granted. 23.16.1829 ADVERTISING RESTRICTIONS FOR VIDEO GAMBLING MACHINES (1) A licensed video gambling machine operator, distributor, route operator, or manufacturer may only advertise the play, lease, or sale of video gambling machines authorized by Title 23, part 5, MCA. No signs or advertisements may make any explicit or implicit reference to illegal gambling devices, such as slot machines, including equipment associated with illegal gambling devices. (History: 23-5-115, 23-5-603, 23-5-621, MCA; IMP, 23-5-603, MCA; NEW, 2011 MAR p. 1681, Eff. 1/1/12.)

Subchapter 19

Video Gambling Machine Specifications

23.16.1901 GENERAL SPECIFICATIONS OF VIDEO GAMBLING MACHINES (1) Each video gambling machine model or modification must:

(a) be inspected in the state for approval and licensure by the department. The department may inspect any machine sold or operated in the state. Any approval granted by the department to a person is not transferable. The department must be allowed immediate access to each machine. Keys to allow access to a machine for purposes of inspection may be provided to the department or must be immediately available at the premise. Machines for which a substantial modification or a series of minor modifications whose total result is substantial must meet all of the specific law or rule requirements in effect at the time of submission. Only those machines which are owned or operated in Montana, and to which the submitted modification will be applied are required to meet those specifications in effect at time of submission. The department's determination that a modification is substantial may be contested pursuant to the Montana Administrative Procedure Act;

(b) be operated by the players in the manner specified by this part;

(c) not have any switches, jumpers, wire posts, or other means of manipulation that could affect the operation or outcome of a game. The machine may not have any functions or parameters adjustable by and through any separate video display or input codes except for the adjustment of features that are wholly cosmetic or other operational parameters as approved by the Gambling Control Division. This is to include devices known as "knockoff switches;"

(d) offer only those games defined as video gambling in Title 23, chapter 5, MCA, and operate in the following manner:

(i) in the case of poker, after the initial cards have been dealt, the player may be allowed to raise his wager but the player may not exceed the overall statutory bet limit;

(4) Any repair or replacement made to a machine's meters must be reported to the Gambling Control Division before a seal is removed or broken and the readings of the machine's electronic and mechanical meters must be provided to the Gambling Control Division. After repair, the initial readings of the electronic and mechanical meters must be provided before the machine is again placed in operation. The department must subsequently be given access to the machine to reseal the meters and verify their proper operation.

(5) To ensure the integrity, security, and monitoring of machines in service, a permitted machine may not be substituted or replaced until the replacement machine has been issued a permit by the department. Promotional Games of Chance

23.16.3501 DEPARTMENT APPROVAL OF PROMOTIONAL GAMES OF CHANCE, DEVICES OR ENTERPRISES

(1) The department may approve devices, machines, instruments, apparatuses, contrivances, schemes, activities, or enterprises used in, or associated with, promotional games of chance authorized by Title 23, chapter 5, MCA. Any promotional game of chance offered or displayed in public without conforming to the requirements of this rule is prohibited.

(2) A bona fide promotional game of chance utilizes or involves any scheme, device, or enterprise, by whatever name known, for the disposal or distribution of property among persons who have not paid or are not expected to pay any valuable consideration or who have not purchased or are not expected to purchase any goods or services for a chance to obtain the property, a portion of it, or a share in it, and which is not manufactured or intended for purposes of gambling.

(a) As used in this rule, valuable consideration means a payment or promise of payment of anything of value, a token, object or article exchangeable for money or property, credit or promise directly or indirectly or contemplating transfer of money or property or interest therein, deposits or any other thing of pecuniary value as a condition of entering a promotional game of chance, or winning a prize from the game. Valuable consideration does not mean, for example, registering to participate or to qualify to participate in the promotional game of chance without purchasing goods or services; personally attending places or events without payment of an admission price or fee; or purchasing postage for purposes of mailing.

(b) Payouts for bona fide promotional games of chance, offered by a gambling licensee and/or an on-premises consumption liquor licensee, are subject to the maximum payout limitation for any single element of the authorized gambling enterprise simulated. Payouts for bona fide promotional games of chance offered by any person or entity that are not a gambling or liquor licensee, are not limited by the payout limits for the authorized gambling enterprise simulated.

(3) Any devices, machines, instruments, apparatuses, contrivances, schemes, activities or enterprises that simulate the following games, variations of the following games, or in any manner incorporate aspects of the following games are prohibited and shall not be approved by the department:

(a) banking card games, such as blackjack, twenty-one, jacks or better, baccarat, or chemin de fer;

(b) dice games, such as craps, hazard, or chuck-a-luck;

(c) sports betting other than horse racing, sports pools as authorized by law, or as provided in (9); or

(d) table games, such as roulette or faro.

(5) All schemes, activities or enterprises shall be conducted in a manner that does not allow the winner to be unfairly predetermined or the game to be manipulated or rigged. The person or business conducting the promotion shall not arbitrarily remove, disqualify, disallow or reject any entry or fail to award prizes offered or print, publish or circulate literature or advertising material used in connection with such promotional game of chance that is false, deceptive or misleading.

(6) Gambling operators conducting promotional schemes, commonly called by such names as "coupon(s)" or "5 for 5", "5 for 10", or "10 for 5", in which an establishment pays for video gambling machine play to customers who purchase additional play on the machine shall post a clearly readable sign on a wall in the operator's establishment in full view of patrons playing video gambling machines. The sign shall include the following language:

This establishment requests that if you accept one of our promotions or promotional coupons for video gambling machine play that you play the machine for [time limit established by location] minutes.

Any customer or patron of this establishment may print a valid ticket voucher and cash-out any valid ticket voucher at any time during machine play. Mont. Code Ann. §23-5-608.

If a customer or patron of this establishment chooses to cash-out their free or credit play in less than [time limit established by location] minutes, the establishment will cash-out their valid ticket voucher in full but reserves the right to refuse this promotional offer for future play.

(a) An operator who does not suggest, impose, recommend, or state a time limit is exempt from the foregoing sign requirement.

(7) All devices, machines, instruments, apparatuses, or contrivances not prohibited by (3) of this rule and which are used in bona fide promotional games of chance as provided in statute shall be approved by the department before such device is played or displayed in public. Persons submitting such proposed devices, machines, instruments, apparatuses, or contrivances for approval shall comply with the following:

(a) The applicant must submit a promotional device application to the department that shall include:

(i) a complete physical description, the printed circuit board schematics, and the wiring diagrams of the proposed device;

(ii) a complete description of the method of operation of the device and promotional scheme, activity, or enterprise in which the device is intended to be used;

(iii) marketing, promotion, or sale literature denoting that the new proposed device is for promotional purposes only; and

(iv) proof by a preponderance of the evidence that the proposed device was manufactured for purposes other than gambling. In determining whether a device meets the requirements of this rule, the department may review such factors as initial and resulting design of the device, its prior and intended use, the device's inability to accumulate credits, and the source of the device and component parts. The proposed device shall not be manufactured from already existing or modified gambling devices.

(b) Concurrent with the submission of the application pursuant to (7)(a), the applicant shall submit a prototype of the proposed device to the department for final physical inspection;

(c) The individual or entity submitting the game for review shall be responsible for transportation of the proposed device to and from the department's offices;

(d) The proposed device shall not be manufactured with an input mechanism or related components. For purposes of this rule only, an input mechanism is defined as an electrical, mechanical or electro-mechanical device, instrument, apparatus, contrivance, or part used or intended for use with money, token, credit, deposit, check, or any other thing of monetary value that by activation puts the device into the play mode. Examples of devices used as input mechanisms are: coin or token acceptors, bill acceptors, magnetic card readers, buttons or switches (local, wire remote, radio remote, etc.). Examples of related components include coin or token head, coin or token chute, and coin or token return;

(e) The proposed device must free play. For purposes of this rule only, free play means one game after another can be played without any intervention by player or operator;

(f) The proposed device shall be labeled "No Purchase Required" which is printed in a clearly legible typeface and which is displayed in a prominent manner that is immediately obvious to the casual observer.

(g) The manufacturer shall attach to the proposed device a manufacturer identification tag that includes the manufacturer name, the date the proposed device was manufactured, and a unique serial and model number;

(h) Thirty days from or after the date the department renders final approval of the proposed device, the applicant shall submit to the department 25 color photographic prints (5" x 7") of the front view of the authorized proposed device.

(8) No department approval is required for ticket or card devices described under 23-5-112(19)(a), MCA, and promotional wheel devices as defined herein, so long as such devices are bona fide promotional games of chance; and the ticket or card devices described under 23-5-112(19)(a), MCA, comply with (7)(f) of this rule; and promotional wheel devices comply with (7)(e), (f), and (g) of this rule. For the purposes of this rule, a promotional wheel device is defined as one or more vertically constructed circular frames or disks, displaying various symbols, such as numbers or pre-identified sectors, that is freely spun for the random selection of a symbol as determined by a permanently stationary mark for selecting the particular symbol when the wheel stops spinning.

(9) The department may, on a case-by-case basis, approve schemes, activities or enterprises that simulate the sport guessing game defined under this subsection as "pick-the-winners." "Pick-the-winners" is a bona fide promotional game of chance where participants choose one team to win a sports event from a predesignated number of sports events during a particular week, and where the participant who chooses the most winning teams wins a predesignated prize. In the event of a tie, there must be one additional tie-breaker contest for the participants to pick the winning team and guess the score of the contest. The tied participant who picks the winning team and whose guess is closest to the final score of the tie breaker contest shall be declared the winner. "Pick-the-winners" games using any form of written advertisements, promotional or informational material, or entry or application forms shall comply with (7)(f) of this rule. For purposes of this subsection, a "predesignated prize" shall not exceed the value of \$100 and shall be either cash or tangible merchandise. "Pick-the-winners" games shall be conducted in compliance with these rules.

(10) Upon completion by the department of its investigation of a proposed device, activity, or enterprise for use in a promotional game of chance, the department shall notify the person submitting the device or enterprise in writing of the department's decision. If the person then desires a hearing, he or she must submit a written request to the department within 20 days. From that point forward, all proceedings shall be conducted in accordance with the Montana Administrative Procedure Act and the Attorney General's Model Rules of Procedure.

(11) Nothing in this rule is intended to approve or authorize promotional games of chance conducted via wire, satellite or telephone communication or similar remote electronic forum. Approval from the department is required for all such proposed activities.

(12) For any violation of this rule, the department may:

(a) act by means of temporary cease and desist orders under 23-5-136(1)(a), MCA; or

(b) impose civil penalties under 23-5-136(1)(b), MCA.
