SAFE SCHOOLS SUMMIT

August 5 & 6, 2025

Ben Steele Middle School

Billings, MT

Join us

This year's conference, in coordination with Billings Public Schools, aims to address the pressing need for holistic changes to ensure the safety and well-being of all our youth. The summit is designed for school counselors, K-12 teachers, school staff, principals, superintendents, mental health practitioners, school nurses, elected officials, community leaders, school-based law enforcement, SROs, parents & guardians, youth, & school safety teams.

Sponsorship & Exhibitor Opportunities

The Summit welcomes exhibitors for an Exhibitor Fair during the two-day event. Businesses and organizations that actively support school safety, prevention, and preparedness are encouraged to participate.

Become a Presenter

Professionals in the field and school safety experts have the opportunity to serve as workshop presenters. The 90-minute sessions provide an excellent opportunity to exchange specialized knowledge, best practices, explore innovative methods, and enhance the health and safety of Montana's schools. Proposal deadline is April 15, 2025. Go online to learn more.

Workshop Tracks

- Innovative Technologies & Infrastructure
- Creating Stronger School Communities
