

AUTISM SPECTRUM DISORDER RECOGNITION, RESPONSE & RISK MANAGEMENT

for Law Enforcement, First Responders, and School Administrators

James Marble is a 26-year law enforcement veteran in Montana and a certified law enforcement instructor. Diagnosed with ASD in 2020, James combines his professional and personal experience to train law enforcement on ASD recognition.

Dennis Debbaudt is a leading international authority on autism and law enforcement interactions. Since 1993, he has collaborated with local, state, and federal agencies as a recognized expert. His work has been featured in major media outlets, and he continues to speak internationally on improving outcomes during encounters between law enforcement and individuals with autism.

Time: 8:30 am – 12:30 pm

Cost: Free but preregistration is required
