

# CONQUERING THE SEARCH

## WARRANT

**YELLOWSTONE  
NARCOTICS**

# AUG 27 – 28, 2025

**FORSYTH, MT: 0800 - 1700**

## **This 15-hour Experience Based Training Will Cover:**

**This is not your typical search warrant class!!!**

### **Day #1:**

This is an advanced level course that teaches students how to take common tips and information and formulate leads into actionable search warrants. In this course, you will learn tips, tricks, and best practices on unique ways to corroborate information or leads. This course will teach students how to target known or suspected criminal activity at specific locations and utilize search warrants as your instrument to dismantle crime. Learn to love search warrants as an extremely effective tool for your investigations, while defining the difference between a concerned citizen, source of information, or confidential informant. Learn to develop sources in your community regardless of if you are a patrol officer or seasoned investigator. Nothing is left out of this course regarding conquering the search warrant and no sanctuary for criminals will be left after this training.

### **Day #2:**

After obtaining the search warrant, your work has just begun. Learn how to properly conduct an operations plan while gathering relevant intelligence on both your suspect and site location. Learn the process of creating a safe operations plan, law enforcement briefing, assigning individual roles, and the purpose and benefits of a debrief.
