Notice of Funding Availability for Applications for Financial Assistance Under the State of Montana 9-1-1 Grant Program

AGENCY: Montana Department of Justice, Montana Emergency Communications Program.

ACTION: Notice of Funding Availability (NOFA).

PURPOSE: The purpose of this NOFA is to notify potential applicants of the amount of funding available in state fiscal year (SFY) 2027 from the Department's 9-1-1 Grant Program. **The unobligated balance of approximately \$900,000.00 in funding is available for the award of 9-1-1 grants by the Department for SFY 2027.** The department will issue a notice for the application submittal period shortly.

ELIGIBILITY REQUIREMENTS: Eligible applicants and recipients of Department 9-1-1 grants include: private telecommunications providers and local and tribal government entities that host certified public safety answering points.

Eligible uses of awarded grant funds include project feasibility studies or project plans; the implementation, operation, and maintenance of 9-1-1 systems, equipment, devices, and data; and the purchase of services that support 9-1-1 systems.
