

**Montana Department of Justice**  
**24/7 Sobriety Program**  
**PROGRAM REQUIREMENTS**

Date: \_\_\_\_\_

Participant: \_\_\_\_\_

You have been ordered to participate in this program as a condition of bond or pretrial release, as a condition of a suspended sentence or probation, or as a condition of parole.

If you have been ordered to submit to transdermal alcohol monitoring, you will be provided a separate document that sets forth the requirements. The following requirements apply to participants who have been ordered to provide twice-daily breath tests.

While participating in the program you will be subject to the following requirements:

- TESTING:** Participants are required to accomplish two PASTs daily, once in the morning and once in the evening.
- LOCATIONS:** You have been ordered to participate in the 24/7 Sobriety Program at the following location:
  - Helena Prerelease Center  
805 Colleen Street  
Helena, MT 59601  
406-442-6572
  - Lewis & Clark County Detention Center  
221 Breckenridge Street  
Helena, MT 59601  
406-447-8232
- HOURS:** 7 days/week, 365 days a year  
Morning tests: 7:00 - 9:00 a.m.  
Evening tests: 7:00 - 9:00 p.m.
- COSTS:** \$\_\_\_\_\_ per PAST (personal check or cash only)  
You are required to pay in advance, or at the time of testing, for the PBT. Failure to pay will be considered a violation of your bond condition, and you may be arrested.
- MISSING A TEST:** A No-Show during your designated testing hours is a violation of the 24/7 Sobriety Program.

**If you miss a test, you will go to jail.**

- POSITIVE TEST:**  
**If the PAST indicates the presence of alcohol, you will go to jail.**
- Tests performed at another facility **DO NOT** count for this program. Unless prior arrangements have been made, tests at another facility will be considered violations. If you must leave the area, you must coordinate with your attorney and the 24/7 Sobriety Program testing facility to make sure that the facility has the appropriate paperwork at least one week before you leave.
- 30 Minutes** prior to testing, you shall not use or consume any food, beverages, gum, toothpaste, and tobacco products. Do not put anything in your mouth during the **30 minutes** prior to testing.
- Any use of alcohol products constitutes a violation of the 24/7 Sobriety Program. This includes, but is not limited to, mouthwash, cough syrup, and other commercial products containing alcohol (including cold medicines such as Nyquil).

**If you understand the requirements of the 24/7 Sobriety Program, please sign below.**
