

This is a Montana Department of Justice computer system. This computer system, including all related equipment, networks, and network devices(including internet access), is provided only for authorized Montana Government use. MT DOJ computer systems may be monitored to ensure that their use is authorized, for management of the system, to facilitate protection against unauthorized access, and to verify security procedures, survivability, and operational security. Monitoring includes active attacks by authorized STATE entities to test or verify the security of this system. During monitoring, information may be examined, recorded, copied, and used for authorized purposes. All information, including personal information, placed on, or sent over this system may be monitored and is subject to audit. Use of this MT DOJ computer system, authorized or unauthorized, constitutes consent to monitoring and recording of this system. Unauthorized use may subject you to criminal prosecution. Evidence of unauthorized use collected during monitoring may be used for administrative, criminal, or other adverse action, and may result in criminal and/or civil penalties.
