Dear <<Name1>>:

Securing and protecting our employee's confidential information is a top priority for Brinderson, L.P. and it is a responsibility that we take very seriously. Regrettably, I am writing to inform you of an incident involving some of that information.

What Happened

On October 24, 2017, we discovered that an unauthorized individual may have gained access to one of our computer systems. Upon learning of this, we blocked the intruder's access to our systems, shut down the affected systems, and immediately began an investigation to determine the scope of the incident. We also engaged a forensic security firm to assist in our investigation.

What Information Was Involved

Our investigation has determined that some of your information was stored on systems potentially accessed by the unauthorized individual. That information includes your name, address, Social Security number, date of birth, and other employment related information.

What We Are Doing

We wanted to let you know this occurred and to assure you we take it very seriously. As a precaution, we are offering a complimentary one-year membership of Experian's® IdentityWorksSM. This product helps detect possible misuse of your personal information and provides you with identity protection support focused on immediate identification and resolution of identity theft. IdentityWorksSM is completely free, and enrolling in this program will not hurt your credit score. Unfortunately, due to privacy laws, we are not able to enroll you directly in this program.

What You Can Do

We encourage you to take advantage of identity theft protection services being offered. For more information on IdentityWorksSM and instructions on how to activate your complimentary one-year membership, please see the next section of this letter.

For More Information

We apologize for and deeply regret any inconvenience or concern this may cause. To help prevent a similar incident in the future, we are taking steps to enhance our existing security protocols and are re-educating our employees regarding the protection of sensitive information. If you have any questions, please call 888-665-0482 Monday through Friday from 6am to 6pm PST.

Sincerely,

Brent Babow
