NOTICE OF DATA SECURITY INCIDENT

Dear Sample A. Sample:

Spartanburg County, South Carolina (the “County”) is writing to tell you about a recent cyber incident that involved personal information that the County maintained about you. We take this matter very seriously because we are committed to the privacy and security of all information in our possession. Therefore, we are providing this notice to you to inform you, explain the complimentary services that we are offering you, and suggest ways that you can protect your information.

What Happened

On April 27, 2023, we detected a ransomware attack on our computer network. We immediately hired a nationally recognized digital forensics firm, reported this to State and Federal law enforcement, and began an investigation to understand what happened, contain the attack, and determine the scope of the incident. Through our investigation of the incident, we determined that some data was taken from the County’s network. As soon as we learned this, we began an extensive review of the data to determine what information may have been involved and who may have been affected. Although the County’s review is ongoing, we determined that some of your personal information was included in the data taken from the County’s network.

What Information Was Involved

The impacted data included some or all of the following information about you: first and last name, date of birth, Social Security number, driver’s license number and/or state identification card number.

What We Are Doing About It

When we discovered this incident, we immediately worked with our team to secure our network, restore impacted systems, and begin an investigation. Our investigators also searched Dark Web sources and found no indication that any personal information that the County maintains had been released or offered for sale as a result of this incident. To further enhance our security and to help prevent similar occurrences in the future, we have taken or will be taking the following steps:

1. Conducted an enterprise-wide password reset with increased complexity requirements;
2. Deployed security tools to enhance detection and accelerate response to cyber incidents;
3. Working with third-party experts to enhance our cyber security; and
4. Strengthening security of existing County multi-factor authentication requirements.

Additionally, we will provide notice of this incident to all appropriate state regulators.

What You Can Do

We recommend that you take the following preventative measures to help protect your information:

1. Enroll in a complimentary, 12-month membership with Experian. This membership will provide you with identity monitoring services, including a copy of your credit report at signup; credit monitoring; identity restoration; Experian IdentityWorks ExtendCARE; and up to \$1 million in identity theft insurance. Instructions on how to activate your membership are included at the end of this letter.
2. Remain alert for incidents of fraud and identity theft by regularly reviewing any account statements and free credit reports for unauthorized or suspicious activity. Information on additional ways to protect your information, including how to obtain a free credit report and free security freeze, can be found at the end of this letter.
3. Report any incidents of suspected identity theft to your local law enforcement, state Attorney General and the major credit bureaus.

For More Information

Please accept our apologies that this incident occurred. We remain fully committed to maintaining the privacy of personal information in our possession and will continue to take many precautions to safeguard it. If you have any questions or concerns about this incident, you may contact us at 833-210-4612 Monday through Friday, 9 a.m. to 11 p.m. EST and Saturday, and Sunday, 11 a.m. to 8 p.m. EST (excluding major US holidays). Please be prepared to reference engagement number **ENGAGE#** when speaking with an agent.

Sincerely,

Scottie Kay Blackwell

MORE INFORMATION ABOUT IDENTITY THEFT AND WAYS TO PROTECT YOURSELF

Visit <https://www.experian.com/blogs/ask-experian/category/fraud-and-identity-theft/> for general information regarding identity protection. You can obtain additional information about fraud alerts, security freezes, and preventing identity theft from the consumer reporting agencies listed below and the Federal Trade Commission (FTC) by calling its identity theft hotline: 877-438-4338; TTY: 1-866-653-4261. They also provide information online at www.consumer.ftc.gov/features/feature-0014-identity-theft. The FTC's address is: Federal Trade Commission, Division of Privacy and Identity Protection, 600 Pennsylvania Avenue, NW, Washington, DC 20580. You have the ability to place a security freeze on your credit reports by contacting the following agencies.

National Credit Reporting Agencies Contact Information

Equifax P.O. Box 105788 Atlanta, GA 30348 1-888-298-0045 www.equifax.com	Experian P.O. Box 9554 Allen, TX 75013 1-888-397-3742 www.experian.com	TransUnion P.O. Box 160 Woodlyn, PA 19094 1-800-916-8800 www.transunion.com

Obtain Your Credit Report

You should also monitor your credit reports. You may periodically obtain your credit reports from each of the national consumer reporting agencies. In addition, under federal law, you are entitled to one free copy of your credit report every 12 months from each of the three nationwide consumer reporting agencies listed above. You may obtain a free copy of your credit report by going to www.AnnualCreditReport.com or by calling (877) 322-8228. You also may complete the Annual Credit Report Request Form available from the FTC at <https://www.consumer.ftc.gov/sites/www.consumer.ftc.gov/files/articles/pdf/pdf-0093-annual-report-request-form.pdf> and mail it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281. You may also contact any of the three major consumer reporting agencies to request a copy of your credit report. You may be able to obtain one or more (depending on the state) additional copies of your credit report, free of charge. You must contact each of the credit reporting agencies directly.

If you discover inaccurate information or a fraudulent transaction on your credit report, you have the right to request that the consumer reporting agency delete that information from your credit report file.

Fraud Alerts

You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for one year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any new accounts in your name. To place a fraud alert on your credit report, contact any of the three national credit reporting agencies using the contact information listed above. As soon as one credit bureau confirms the fraud alert, they will notify the others. Additional information is available at www.annualcreditreport.com.

Security Freeze

You have the ability to place a security freeze on your credit report at no cost to you. A security freeze is intended to prevent credit, loans and services from being approved in your name without your consent. To place a security freeze on your credit report, you may be able to use an online process, an automated telephone line, or a written request to all three of the credit reporting agencies listed above. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; (5) a legible copy of a government-issued identification card, (6) proof of current address, such as a legible copy of a recent utility bill or bank or insurance statement, (7) a legible copy of a recent W-2, pay stub, or Social Security card, and (8) if you are a victim of identity theft, a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning

identity theft. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. **Under federal law, you cannot be charged to place, lift, or remove a security freeze.**

After receiving your freeze request, each credit reporting company will send you a confirmation letter containing a unique PIN (personal identification number) or password. Keep the PIN or password in a safe place, you will need it if you choose to lift the freeze. If you do place a security freeze *prior* to enrolling in the credit monitoring service as described above, you will need to remove the freeze in order to sign up for the credit monitoring service. After you sign up for the credit monitoring service, you may refreeze your credit file.

Additional Helpful Information

Even if you do not find any suspicious activity on your initial credit reports, the Federal Trade Commission (FTC) recommends that you check your credit reports periodically. Checking your credit report periodically can help you spot problems and address them quickly.

If you find suspicious activity on your credit reports or have reason to believe your information is being misused, call your local law enforcement agency and file a police report. Be sure to obtain a copy of the police report, as many creditors will want the information it contains to absolve you of the fraudulent debts. You may also file a complaint with the FTC by contacting them at the information provided above. This notice was not delayed as a result of a law enforcement investigation.

If your personal information has been used to file a false tax return, to open an account or to attempt to open an account in your name, or to commit fraud or other crimes against you, you may file a police report in the city in which you currently reside.
