NOTICE OF [Extra1]

Dear Sample A. Sample:

Wizmo is writing to notify you of a recent incident that may have impacted the security of some of your information, which is in our possession due to cloud-hosting services that are used by certain equipment rental businesses. We want to provide you with information about the incident, our response, and steps you may take to better protect against possible misuse of your personal information, should you feel it necessary to do so.

What Happened? On February 8, 2023, we became aware of suspicious activity relating to our internal information systems. In response, we engaged outside forensic and data security specialists to investigate the nature and scope of the activity. We determined that an unauthorized third-party accessed certain file locations within our systems and attempted to copy certain information from our systems to an outside file share location. We were able to stop the copying of the full data set while it was in progress, however we observed that certain files we host for certain equipment rental businesses were included within the data set copied to the outside file share location. In response, we next undertook a comprehensive review to determine the type of information contained within the data set copied to the file share location and on June 5, 2023, we determined information relating to you was impacted in the event.

What Information Was Involved? The investigation determined that your name and [Extra2] were among the data accessed and copied externally.

What We Are Doing. The confidentiality, privacy, and security of personal information within our care is among our highest priorities. Wizmo is offering two (2) years of complimentary credit monitoring and identity restoration services through our preferred third-party vendor Experian, where those services are available. Please see **Attachment A** for details regarding these complimentary credit monitoring and identity restoration services, as well as how to enroll with your unique code. You must enroll by October 31, 2023 to receive these services.

Additionally, upon learning of the event, we investigated to determine the nature and scope of the incident and secured the environment by changing passwords and deployed a threat-hunting endpoint detection and response tool throughout our environment as an added precaution. We also notified law enforcement and are cooperating with its investigation. We have and will continue to take steps to improve security and better protect against similar incidents in the future.

What You Can Do. While we are unaware of any misuse of your information as a result of this event, we encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your account statements. Additional information may be found in **Attachment B**.

For More Information. We understand you may have questions that are not answered in this letter. If you have questions or concern regarding this incident, we ask that you please contact our dedicated assistance line at 833-804-0772 Monday through Friday from 9 am to 11 pm Eastern Time or Saturday through Sunday from 11 am to 8 pm Eastern Time. You may also write to Wizmo at 2945 Lone Oak Drive, Suite 190, Eagan, MN 55121.

Sincerely,

Wizmo

STEPS YOU CAN TAKE TO PROTECT PERSONAL INFORMATION

Monitor Your Accounts

Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer’s express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a credit freeze, please contact the three major credit reporting bureaus listed below:
