### Additional Information

To protect against possible fraud, identity theft or other financial loss, we encourage you to remain vigilant, to review your account statements and to monitor your credit reports. Provided below are the names and contact information for the three major U.S. credit bureaus and additional information about steps you can take to obtain a free credit report and place a fraud alert or security freeze on your credit report. If you believe you are a victim of fraud or identity theft, you should consider contacting your local law enforcement agency, your State's attorney general or the Federal Trade Commission.

### **INFORMATION ON OBTAINING A FREE CREDIT REPORT**

U.S. residents are entitled under U.S. law to one free credit report annually from each of the three major credit bureaus. To order your free credit reports, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call toll-free 1-877-322-8228.

### **INFORMATION ON IMPLEMENTING A FRAUD ALERT, CREDIT FREEZE, OR CREDIT LOCK**

To place a fraud alert, credit freeze, or credit lock on your credit report, you must contact the three credit reporting agencies below:

**Equifax:**

Equifax Information Services LLC  
P.O. Box 105788  
Atlanta, GA 30348  
1-888-298-0045  
[www.equifax.com](http://www.equifax.com)

**Experian:**

Credit Fraud Center  
P.O. Box 9554  
Allen, TX 75013  
1-888-397-3742  
[www.experian.com](http://www.experian.com)

**TransUnion:**

Fraud Victim Assistance  
Department  
P.O. Box 2000  
Chester, PA 19022-2000  
1-800-680-7289  
[www.transunion.com](http://www.transunion.com)

**Fraud Alert:** Consider contacting the three major credit reporting agencies at the addresses above to place a fraud alert on your credit report. A fraud alert indicates to anyone requesting your credit file that you suspect you are a possible victim of fraud. A fraud alert does not affect your ability to get a loan or credit. Instead, it alerts a business that your personal information might have been compromised and requires that business to verify your identity before issuing you credit. Although this may cause some short delay if you are the one applying for the credit, it might protect against someone else obtaining credit in your name.

To place a fraud alert, contact any of the three major credit reporting agencies listed above and request that a fraud alert be put on your file. The agency that you contacted must notify the other two agencies. A fraud alert is free and lasts 90 days but can be renewed.

**Credit Freeze:** A credit freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report until the freeze is lifted. When a credit freeze is in place, no one – including you – can open a new account. As a result, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing, or other services.

Placing a credit freeze is free. To place a credit freeze, contact all three credit reporting agencies listed above and provide the personal information required by each agency to place a freeze, which may include:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.)
2. Social Security number
3. Date of birth
4. If you have moved in the past five (5) years, the addresses where you have lived over the prior five years
5. Proof of current address, such as a current utility bill or telephone bill
6. A legible photocopy of a government issued identification card (state driver's license or ID card, military identification, etc.)
7. If you are a victim of identity theft, a copy of either a police report, investigative report or complaint to a law enforcement agency concerning identity theft

When you place a credit freeze, you will be provided a PIN to temporarily lift or remove the credit freeze. A credit freeze generally lasts until you lift or remove it, although in some jurisdictions it will expire after seven years.

**Credit Lock:** Like a credit freeze, a credit lock restricts access to your credit report and prevents anyone from opening an account until unlocked. Unlike credit freezes, your credit can typically be unlocked online without delay. To lock your credit, contact all three credit reporting agencies listed above and complete a credit lock agreement. The cost of a credit lock varies by agency, which typically charge monthly fees.

You also may contact the U.S. Federal Trade Commission (“FTC”) for further information on fraud alerts, credit freezes, credit locks and how to protect yourself from identity theft. The FTC can be contacted at 400 7th St. SW, Washington, DC 20024, by telephone at 1-877-382-4357 or online at [www.consumer.gov/idtheft](http://www.consumer.gov/idtheft).
