**Re: Notice of Data Security Incident**

Dear **FIRST NAME LAST NAME**,

Goudy Construction Company (“GCC”) is writing to inform you of a recent data security incident that may have resulted in an unauthorized access to your sensitive personal information. While we are unaware of any fraudulent misuse of your personal information at this time, we are providing you with details about the incident, steps we are taking in response, and resources available to help you protect against the potential misuse of your information.

**What Happened?**

On or about October 4, 2022, GCC had a theft incident at our warehouse. Among the many items stolen from the warehouse, a laptop containing HR information regarding current and former employees was stolen. Upon discovery of this incident, GCC immediately notified law enforcement and specialized third-party cybersecurity vendor to investigate the whereabouts of the laptop. It was confirmed on October 5, 2022 that the laptop was accessed by an unauthorized individual. On October 12 2022, GCC identified all the current and former employees that required to be notified.

**What Information Was Involved?**

Although GCC has no evidence that any sensitive information has been misused by a third party as a result of this incident, we are notifying you out of an abundance of caution and for purposes of full transparency. Based on the investigation, the following information related to you may have been subject to unauthorized access: name; address; date of birth; driver’s license; social security number.

**What We Are Doing**

Data privacy and security is among GCC’s highest priorities, and we are committed to doing everything we can to protect the privacy and security of the personal information in our care. Since the discovery of the incident, GCC moved quickly to investigate, respond, and confirm the security of our systems. Specifically, GCC improved how PII is stored and changed administrative credentials.

## Steps You Can Take to Help Protect Your Information

**Credit Reports:** You may obtain a copy of your credit report, free of charge, whether or not you suspect any unauthorized activity on your account. You may obtain a free copy of your credit report from each of the three nationwide credit reporting agencies. To order your free credit report, please visit [www.annualcreditreport.com](http://www.annualcreditreport.com), or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at <https://www.consumer.ftc.gov/articles/0155-free-credit-reports>) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

**Fraud Alerts:** You can place fraud alerts with the three credit bureaus by phone or online. A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years.

**Monitoring:** You should always remain vigilant for incidents of fraud and identity theft by reviewing credit card account statements and by monitoring your credit report for suspicious or unusual activity.

**Security Freeze:** You have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:

**File Police Report:** You have the right to file or obtain a police report if you experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. A police report is often required to dispute fraudulent items. You can generally report suspected incidents of identity theft to local law enforcement or to the Attorney General.

**FTC and Attorneys General:** You can further educate yourself regarding identity theft, fraud alerts, security freezes, and the steps you can take to protect yourself, by contacting the consumer reporting

Further, pursuant to the Fair Credit Reporting Act, the consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information; consumer reporting agencies may not report outdated negative information; access to your file is limited; you must give your consent for credit reports to be provided to employers; you may limit “prescreened” offers of credit and insurance you get based on information in your credit report; and you may seek damages from violators.
