Dear <<First Name>> <<Last Name>>:

We are writing to notify you of a recent incident experienced by Columbus Aesthetic and Plastic Surgery (“CAPS”) that may have affected your personal information.

On or about September 22, 2023, CAPS identified suspicious activity within our network environment, and quickly took steps to secure the environment and investigate the full nature and scope of the event. Our investigation determined an unknown actor gained temporary access to our network and potentially acquired certain files, some of which may have contained personal information; however, there was no evidence of any access to CAPS’s Electronic Medical Records system.

As soon as we discovered this incident, we launched an investigation and took steps to secure our network environment, including implementing enhanced security measures to help prevent a similar incident from occurring in the future. CAPS also notified the Federal Bureau of Investigation and Department of Health and Human Services of this incident. With that on or after December 22, 2023, CAPS learned that your information may have been contained within potentially impacted files and is taking steps to prepare and send letters to potentially impacted individuals.

We believe that the information involved in this incident may have included your name and <<Variable Text 1>>.

CAPS is also offering you <<12/24>> months of complimentary credit monitoring and identity theft protection services, a \$1,000,000 insurance reimbursement policy, and fully managed identity theft recovery services through IDX, A ZeroFox Company, the data breach and recovery services expert. Review Your Account Statements and Notify Law Enforcement of Suspicious Activity: As a precautionary measure, we recommend that you remain vigilant by reviewing your account statements and credit reports closely. If you detect any suspicious activity on an account, you should promptly notify the financial institution or company with which the account is maintained. You also should promptly report any fraudulent activity or any suspected incidence of identity theft to proper law enforcement authorities, your state attorney general, and/or the Federal Trade Commission (FTC).

Copy of Credit Report: You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting <http://www.annualcreditreport.com/>, calling toll-free 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You also can contact one of the following three national credit reporting agencies:

Fraud Alert: You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least one year. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies identified above. Additional information is available at <http://www.annualcreditreport.com>.

Security Freeze: You have the right to put a security freeze on your credit file for up to one year at no cost. This will prevent new credit from being opened in your name without the use of a PIN number that is issued to you when you initiate the freeze. A security freeze is designed to prevent potential creditors from accessing your credit report without your consent. As a result, using a security freeze may interfere with or delay your ability to obtain credit. You must separately place a security freeze on your credit file with each credit reporting agency. In order to place a security freeze, you may be required to provide the consumer reporting agency with information that identifies you including your full name, Social Security number, date of birth, current and previous addresses, a copy of your state-issued identification card, and a recent utility bill, bank statement or insurance statement.

Additional Free Resources: You can obtain information from the consumer reporting agencies, the Federal Trade Commission, 600 Pennsylvania Ave, NW, Washington DC, 1-877-438-4338, www.identitytheft.gov, or from your respective state Attorney General about fraud alerts, security freezes, and steps you can take toward preventing identity theft. You may report suspected identity theft to local law enforcement, including to the FTC or to the Attorney General in your state.

You also have certain rights under the Fair Credit Reporting Act (FCRA): These rights include to know what is in your file; to dispute incomplete or inaccurate information; to have consumer reporting agencies correct or delete inaccurate, incomplete, or unverifiable information; as well as other rights. For more information about the FCRA, and your rights pursuant to the FCRA, please visit <https://www.consumer.ftc.gov/articles/pdf-0096-fair-credit-reporting-act.pdf>
