## NOTICE OF <<Variable Header>>

Dear <<Name 1>>:

RetireOne, Inc. (“Aria”), formerly Aria Retirement Solutions, Inc., is sending you this letter to inform you of an incident that may affect the security of some of your personal information. This notice provides information about the incident, our response, and resources available to you to help protect your information from possible misuse, should you feel it necessary to do so.

**What Happened?** On or about September 1, 2021, Aria became aware of unusual activity related to an employee’s email account. Aria immediately commenced an investigation to better understand the nature and scope of this activity. On September 20, 2021, it was determined that the employee email account was accessed without authorization for a brief period of time between April 26, 2021 and June 16, 2021. The investigation determined that the email account had not been downloaded but was not able to determine whether any specific emails in the account were viewed. In an abundance of caution, a programmatic and manual review of the contents of the email account was completed to determine whether sensitive information was present in the emails at the time of the incident. This process was completed on May 23, 2022. Through this process, we determined that certain personal information was contained within the account, although not necessarily actually accessed or viewed by unauthorized individuals.

**What Information Was Involved?** While we have no evidence that your information was viewed without authorization, Aria is notifying you out of an abundance of caution. The information related to you that was within the email account includes your name and <<Breached Elements>>.

**What We Are Doing.** We take this incident and the security of personal information in our care seriously. Upon learning of this incident, we moved quickly to investigate, respond, and assess the security of relevant systems. Our response included resetting the password of the affected account and performing a review of our entire email tenant. As part of our ongoing commitment to the security of information, we are also reviewing existing policies and procedures to reduce the likelihood of a similar future incident.

We are also offering you access to complimentary credit monitoring and identity restoration services for <<CM Length>> months through Equifax. These services include credit monitoring, access to an Equifax credit report, WebScan notifications, automatic fraud alerts, identity restoration services, and identity theft insurance. If you wish to activate the credit monitoring and identity restoration services, you may follow the instructions included in the *Steps You Can Take to Help Protect Personal Information*.

**What You Can Do.** We encourage you to remain vigilant against incidents of identity theft and fraud over the next twelve (12) to twenty-four (24) months by reviewing your account statements and monitoring your free credit reports for suspicious activity and to detect errors. You may also review the information contained in the attached *Steps You Can Take to Help Protect Personal Information*. There you will also find more information on the credit monitoring and identity restoration services we are making available to you. While Aria will cover the cost of these services, you will need to complete the activation process.

**For More Information.** We understand that you may have questions about this incident that are not addressed in this letter. If you have additional questions, please call our call center at 877-328-5806 between 9am and 9pm Eastern.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. Stone', with a stylized flourish at the end.

### Monitor Your Accounts

Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

<sup>1</sup> WebScan searches for your Social Security Number, up to 5 passport numbers, up to 6 bank account numbers, up to 6 credit/debit card numbers, up to 6 email addresses, and up to 10 medical ID numbers. WebScan searches thousands of Internet sites where consumers’ personal information is suspected of being bought and sold, and regularly adds new sites to the list of those it searches. However, the Internet addresses of these suspected Internet trading sites are not published and frequently change, so there is no guarantee that we are able to locate and search every possible Internet site where consumers’ personal information is at risk of being traded.

<sup>2</sup> The Automatic Fraud Alert feature is made available to consumers by Equifax Information Services LLC and fulfilled on its behalf by Equifax Consumer Services LLC.

<sup>3</sup> Locking your Equifax credit report will prevent access to it by certain third parties. Locking your Equifax credit report will not prevent access to your credit report at any other credit reporting agency. Entities that may still have access to your Equifax credit report include: companies like Equifax Global Consumer Solutions, which provide you with access to your credit report or credit score, or monitor your credit report as part of a subscription or similar service; companies that provide you with a copy of your credit report or credit score, upon your request; federal, state and local government agencies and courts in certain circumstances; companies using the information in connection with the underwriting of insurance, or for employment, tenant or background screening purposes; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; companies that authenticate a consumer’s identity for purposes other than granting credit, or for investigating or preventing actual or potential fraud; and companies that wish to make pre-approved offers of credit or insurance to you. To opt out of such pre-approved offers, visit [www.optoutprescreen.com](http://www.optoutprescreen.com)

<sup>4</sup> The Identity Theft Insurance benefit is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company, under group or blanket policies issued to Equifax, Inc., or its respective affiliates for the benefit of its Members. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

Consumers have the right to place an initial or extended “fraud alert” on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer’s express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a credit freeze, please contact the three major credit reporting bureaus listed below:

### **Additional Information**

You may further educate yourself regarding identity theft, fraud alerts, credit freezes, and the steps you can take to protect your personal information by contacting the consumer reporting bureaus, the Federal Trade Commission, or your state Attorney General. The Federal Trade Commission may be reached at: 600 Pennsylvania Avenue NW, Washington, DC 20580; [www.identitytheft.gov](http://www.identitytheft.gov); 1-877-ID-THEFT (1-877-438-4338); and TTY: 1-866-653-4261. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them. You can obtain further information on how to file such a complaint by way of the contact information listed above. You have the right to file a police report if you ever experience identity theft or fraud. Please note that in order to file a report with law enforcement for identity theft, you will likely need to provide some proof that you have been a victim. Instances of known or suspected identity theft should also be reported to law enforcement and your state Attorney General. This notice has not been delayed by law enforcement.
