Notice of Data Incident

Dear [REDACTED]:

Gretna Family Health (“GFH”) is a primary care clinic located in Gretna, Nebraska. You are receiving this letter because you are a current or former patient of GFH. We are writing to inform you of a data security incident that may have exposed your personal information. We take security of your personal information very seriously and want to provide you with information and resources you can use to protect your information.

What Happened and What Information was Involved:

On or about February 6, 2023, GFH detected that it was the target of a cybersecurity attack. An unauthorized third party attempted to infiltrate GFH’s computer network and demand a ransom payment. Upon detecting this incident, we moved quickly to secure our network environment and launched a thorough investigation. The investigation was performed with the help of independent IT security and forensic investigators to determine the scope and extent of the potential unauthorized access to our systems and any personal information.

Although we have found no evidence that your information has been specifically accessed for misuse, it is possible that your name, mailing address, date of birth, social security number, health insurance information, and/or protected health information, to the extent that such may have existed on the network, could have been exposed. Notably, the types of information affected were different for each individual, and not every individual had all of the above-list elements exposed.

As of this writing, GFH has not received any reports of related identity theft since the date of the incident (February 6, 2023 to present). We have taken all efforts possible to mitigate any further exposure of your personal information and related identity theft.

What We Are Doing:

We take the security of all information in our control very seriously. Given this, we have taken and are continuing to take steps to prevent a similar event from occurring in the future by implementing additional safeguards and enhanced security measures to better protect the privacy and security of information in our systems. We have also reviewed and taken steps to enhance our policies and procedures relating to the security of our systems and servers, as well as our information life cycle management.

### **Additional Information**

**Credit Reports:** You may obtain a copy of your credit report, free of charge, whether or not you suspect any unauthorized activity on your account. You may obtain a free copy of your credit report from each of the three nationwide credit reporting agencies. To order your free credit report, please visit [www.annualcreditreport.com](http://www.annualcreditreport.com), or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at <https://www.consumer.ftc.gov/articles/0155-free-credit-reports>) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

**Security Freeze:** You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:

<b>Equifax Security Freeze</b> P.O. Box 105788 Atlanta, GA 30348 1-800-349-9960 <a href="https://www.equifax.com/personal/credit-report-services/credit-freeze/">https://www.equifax.com/personal/credit-report-services/credit-freeze/</a>	<b>Experian Security Freeze</b> P.O. Box 9554 Allen, TX 75013 1-888-397-3742 <a href="http://www.experian.com/freeze/center.html">www.experian.com/freeze/center.html</a>	<b>TransUnion Security Freeze</b> P.O. Box 160 Woodlyn, PA 19094 1-888-909-8872 <a href="http://www.transunion.com/credit-freeze">www.transunion.com/credit-freeze</a>

**Fraud Alerts:** You can place fraud alerts with the three credit bureaus by phone and online with:

- Equifax ([https://assets.equifax.com/assets/personal/Fraud\\_Alert\\_Request\\_Form.pdf](https://assets.equifax.com/assets/personal/Fraud_Alert_Request_Form.pdf));
- TransUnion (<https://www.transunion.com/fraud-alerts>); or
- Experian (<https://www.experian.com/fraud/center.html>).

A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years. The phone numbers for all three credit bureaus are at the bottom of this page.

**Monitoring:** You should always remain vigilant and monitor your accounts for suspicious or unusual activity.

**File Police Report:** You have the right to file or obtain a police report if you experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. A police report is

often required to dispute fraudulent items. You can generally report suspected incidents of identity theft to local law enforcement or to the Attorney General.
