<<b2b_text_1(“NOTICE OF SECURITY INCIDENT” or “NOTICE OF DATA BREACH”)>>

Dear <<first_name>> <<middle_name>> <<last_name>> <<suffix>>:

Duininck Companies, LLC (“Duininck”)¹ writes to notify you of a recent event that may have impacted some of your information. Although there is no indication that your information has been misused in relation to this event, we are providing you with information about the event, our response to it, and resources available to you to help protect your information, should you feel it appropriate to do so.

What Happened? On December 15, 2022, Duininck became aware of suspicious activity affecting certain systems within our network that included the encryption of certain files. We immediately took steps to secure our systems and launched an investigation with the assistance of third-party computer specialists to confirm the full nature and scope of the activity and to restore functionality to the affected systems. Our investigation determined that an unauthorized actor gained access to certain Duininck systems between December 9, 2022, and December 15, 2022, and downloaded certain files stored on our systems.

We undertook a comprehensive and time-intensive review of the involved files to determine what information was contained therein and to whom it related. Once completed, we worked to confirm the identities and contact information for potentially affected individuals. Our review was recently completed and indicates that your information may have been contained within the impacted files. Therefore, we are providing you with notification out of an abundance of caution.

What Information Was Involved? The information related to you that may have been present in the impacted files includes your name and <<b2b_text_2(date elements)>>. Please note that we have no evidence of actual misuse of your personal information as a result of this event.

What We Are Doing Safeguarding the privacy of information in our care, and the security of our network, are among our highest priorities. Upon learning of this event, we moved quickly to investigate and respond, assess the security of our systems, and notify potentially affected individuals. This included prompt notification of the event to the Federal Bureau of Investigation. As part of our ongoing commitment to the security of information within our care, we are reviewing our existing policies and procedures regarding cybersecurity and evaluating additional measures and safeguards to protect against this type of event in the future. We also implemented additional network security measures to further enhance our network security.

¹ Duininck is affiliated with the following entities with whom you may be familiar: Prinsco, Hart Ranch Development Company, Midwest Outdoor Resorts, and InHarvest.

While we have no indication of your information being misused as a result of this event, as an added precaution, we are offering you complimentary access to 12 months of identity monitoring through Kroll. For activation instructions, please review the information contained in the attached *Steps You Can Take to Help Protect Your Information*.

What You Can Do. We encourage you to remain vigilant against incidents of identity theft and fraud by reviewing your account statements and monitoring your free credit reports for suspicious activity. You may also review the information contained in the attached *Steps You Can Take to Help Protect Your Information*. There, you will find more information on the credit monitoring and identity restoration services we are making available to you. We encourage you to activate these services as we are not able to act on your behalf to activate them for you.

For More Information. If you have additional questions, please call our dedicated assistance line toll-free at (866) 731-2941, Monday through Friday from 8:00 a.m. to 5:30 p.m. Central Time, excluding major U.S. holidays. You may also write to Duininck at 408 6th Street, Prinsburg, MN 56281.

TAKE ADVANTAGE OF YOUR IDENTITY MONITORING SERVICES

You have been provided with access to the following services from Kroll:

Single Bureau Credit Monitoring

You will receive alerts when there are changes to your credit data—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who will be able to help you determine if it is an indicator of identity theft.

Fraud Consultation

You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

Identity Theft Restoration

If you become a victim of identity theft, an experienced Kroll licensed investigator will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator will be able to dig deep to uncover the scope of the identity theft, and then work to resolve it.

Kroll's activation website is only compatible with the current version or one version earlier of Chrome, Firefox, Safari and Edge.

To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

Monitor Your Accounts

Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended "fraud alert" on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a "credit freeze" on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer's express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a credit freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a credit freeze, please contact the three major credit reporting bureaus listed below:
