Re: Important Security Notification. Please read this entire letter.

Dear [INSERT],

First, I would like to express our appreciation for your being a valued customer of Valrhona Chocolate ("Valrhona"). It is our goal to be transparent about issues as they arise. In that vein, I am writing to advise you of a recent security incident that may have compromised your personal information and the efforts we are taking to help you ensure that any personal data is protected. Please carefully review this letter as it contains information regarding this event and important steps which you should take right away to protect your personal data.

What Happened

On October 4, 2023, Valrhona discovered malicious software on the Valrhona Chocolate website. Valrhona promptly disabled the website, engaged leading cybersecurity experts and launched an investigation. As a result of that investigation, we learned that the malicious software collected customer credit card information from the payment portal on the Valrhona Chocolate website.

What Information Was Involved

Based on our investigation, we believe that your name, address, date of birth, email and credit card information was affected. While we do not have direct knowledge that your personal information has been improperly used or that improper activity will occur, in an abundance of caution, we felt that it was important to advise you of these facts and the steps you may wish to take to help protect yourself (listed below).

What are We Doing

As mentioned above, we promptly engaged a security consulting firm to assist us soon after we learned of the incident and we worked diligently with the consultants to complete the investigation.

To help protect your identity, we are offering complimentary access to Experian IdentityWorksSM for 12 months, as detailed below. If you believe there was fraudulent use of your information as a result of this incident and would like to discuss how you may be able to resolve those issues, please reach out to an Experian agent. If, after discussing your situation with an agent, it is determined that identity restoration support is needed then an Experian Identity Restoration agent is available to work with you to investigate and resolve each incident of fraud that occurred from the date of the incident (including, as appropriate, helping you with contacting credit grantors to dispute charges and close accounts; assisting you in placing a freeze on your credit file with the three major credit bureaus; and assisting you with contacting government agencies to help restore your identity to its proper condition).

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. Look for information, such as home address and Social Security number that is not accurate. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

Credit Freeze

You have the right to put a security freeze, also known as a credit freeze, on your credit file, so that no new credit can be opened in your name without the use of a Personal Identification Number (PIN) that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to access your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. Should you wish to place a credit freeze, please contact all three major consumer reporting agencies listed below.

You must separately place a credit freeze on your credit file at each credit reporting agency. The following information should be included when requesting a credit freeze:

- 1) Full name, with middle initial and any suffixes;
- 2) Social Security number;
- 3) Date of birth (month, day, and year);
- 4) Current address and previous addresses for the past five (5) years;
- 5) Proof of current address, such as a current utility bill or telephone bill;
- 6) Other personal information as required by the applicable credit reporting agency;

PARTENAIRE DES TALENTS DE LA GASTRONOMIE

If you request a credit freeze online or by phone, then the credit reporting agencies have one (1) business day after receiving your request to place a credit freeze on your credit file report. If you request a lift of the credit freeze online or by phone, then the credit reporting agency must lift the freeze within one (1) hour. If you request a credit freeze or lift of a credit freeze by mail, then the credit agency must place or lift the credit freeze no later than three (3) business days after getting your request.

Fraud Alerts

You also have the right to place an initial or extended fraud alert on your file at no cost. An initial fraud alert lasts 1-year and is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years. Should you wish to place a fraud alert, please contact any one of the agencies listed below. The agency you contact will then contact the other two credit agencies.

Monitor Your Personal Health Information

If applicable to your situation, we recommend that you regularly review the explanation of benefits statement that you receive from your insurer. If you see any service that you believe you did not receive, please contact your insurer at the number on the statement. If you do not receive the regular explanation of benefits statements, contact your provider and request them to send such statements following the provision of services in your name or number.

You may want to order copies of your credit reports and check for any medical bills that you do not recognize. If you find anything suspicious, call the credit reporting agency at the phone number on the report. Keep a copy of this notice for your records in case of future problems with your medical records. You may also want to request a copy of your medical records from your provider, to serve as a baseline. If you are a California resident, we suggest that you visit the website of the California Office of Privacy Protection at www.privacy.ca.gov to find more information about your medical privacy.
