Notice of Security Event

Dear _____,

We are writing to inform you of a recent cybersecurity incident that affected some of our internal IT systems. Please read this notice carefully, as it provides up-to-date information on what happened and what we are doing, as well as information on how you can obtain complimentary credit monitoring.

What happened?

Qorvo, Inc. (“Qorvo”) experienced an unauthorized actor infiltrating some of our IT systems in August 2023 (the “Cybersecurity Incident”). After becoming aware of the access, we immediately began taking steps to stop and remediate the access, including taking certain systems entirely offline. An investigation was then launched with assistance from external cybersecurity experts, and we promptly notified law enforcement. Recently, we determined that the unauthorized actor had accessed and may have acquired files containing your personal information. We are unable to determine whether the files that were accessed were also exfiltrated.

What personal information was involved?

Once Qorvo identified the accessed files, we began a process to determine what types of personal information were affected and to whom it relates. While we worked quickly, this was a time-consuming process, and we wanted to provide you with accurate information.

Your personal information that was accessed during the Cybersecurity Incident included: **[data elements]**.

What we are doing:

Prior to the incident, Qorvo had a number of cybersecurity measures in place, including endpoint detection and response tools across the environment. After becoming aware of this incident, we took steps to prevent further access to the impacted systems, including taking certain systems offline. As we brought systems back online, we took a series of steps to further strengthen our security controls.

At this time, we are not aware of any evidence that personal information has been misused as a result of this incident. However, Qorvo is offering you with access to **Single Bureau Credit Monitoring/Single Bureau Credit Report/Single Bureau Credit Score/Cyber Monitoring** services at no charge. These services provide you with alerts for twenty-four (24) months from the date of enrollment when changes occur to your credit file. This notification is sent to you the same day that the change or update takes place with the bureau. Cyber monitoring will look out for your personal information on the dark web and alert you if your personally identifiable information is found online. Finally, we are providing you with proactive fraud assistance to help with any questions that you might have or in event that you become a victim of fraud.

These services will be provided by Cyberscout through Identity Force, a TransUnion company specializing in fraud assistance and remediation services.

To activate your membership and start monitoring your personal information please log on to <https://secure.identityforce.com/benefit/qorvous> and follow the instructions provided. When prompted please provide the following unique code to receive services: [CODE]

In order for you to receive the monitoring services described above, you must enroll by March 20, 2024. The enrollment requires an internet connection and e-mail account and may not be available to minors under the age of 18 years of age. Please note that when signing up for monitoring services, you may be asked to verify personal information for your own protection to confirm your identity.

What you can do:

It is always a good idea to remain vigilant against threats of identity theft or fraud and to regularly review and monitor your account statements and credit history for any signs of unauthorized transactions or activity. If you ever suspect that you are the victim of identity theft or fraud, you can contact your local police. You can also enroll in the credit monitoring being offered to you. Additional information about how to protect your identity is contained in this mailing.

For more information:

Qorvo has set up a dedicated call center to answer questions about the incident as well as the services that we are offering to you. Representatives are available for 90 days from the date of this letter. If you have questions, please call 1-800-405-6108 Monday through Friday from 8:00 a.m. to 8:00 p.m. Eastern time, and provide your unique code listed above.

We take the security of our data very seriously and we regret any inconvenience this incident may have caused you.

Sincerely,

The Qorvo Security Team

MORE INFORMATION ABOUT IDENTITY PROTECTION

INFORMATION ON OBTAINING A FREE CREDIT REPORT

U.S. residents are entitled under U.S. law to one free credit report annually from each of the three major credit bureaus. To order your free credit reports, visit www.annualcreditreport.com or call toll-free (877) 322-8228.

INFORMATION ON IMPLEMENTING A FRAUD ALERT OR SECURITY FREEZE

You can contact the three major credit bureaus at the addresses below to place a fraud alert on your credit report. A fraud alert indicates to anyone requesting your credit file that you suspect you are a possible victim of fraud. A fraud alert does not affect your ability to get a loan or credit. Instead, it alerts a business that your personal information might have been compromised and requires that business to verify your identity before issuing you credit. Although this may cause some short delay if you are the one applying for the credit, it might protect against someone else obtaining credit in your name.

A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing, or other services. A credit reporting agency may not charge you to place, temporarily lift, or permanently remove a security freeze.

To place a fraud alert or security freeze on your credit report, you must contact the three credit bureaus below:

Equifax	Experian	TransUnion
Consumer Fraud Division	Credit Fraud Center	TransUnion LLC
P.O. Box 740256	P.O. Box 9554	P.O. Box 2000
Atlanta, GA 30374	Allen, TX 75013	Chester, PA 19022-2000
(888) 766-0008	(888) 397-3742	(800) 680-7289
www.equifax.com	www.experian.com	www.transunion.com

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security Number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over those prior five years;
5. Proof of current address such as a current utility bill or telephone bill; and
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.).

You may also contact the U.S. Federal Trade Commission ("FTC") for further information on fraud alerts, security freezes, and how to protect yourself from identity theft. The FTC can be contacted at 400 7th St. SW, Washington, DC 20024; telephone +1 (877) 382-4357; or www.consumer.gov/idtheft.
