INSTRUCTIONS

1. Check which type of application this is for:
 - New** – new machine in this location
 - Amended** – changing ownership of the machine or an attribute
 - Reduced fee** – a machine is being relicensed in a location due to change of location ownership during the first quarter, after the renewal fee had already been paid. (Contact the division with questions on this type of application.)
2. Use the correct gambling account number provided to you by the Gambling Control Division.
3. Use your unique Video Gambling Machine Identification (VG MID) Number assigned by the division and the serial number of the machine.
4. Mechanical meter readings are required for all machines
5. Check the meter reporting method.
6. For Tier 2 machines only, you need to check the day of the week you are reporting you meter readings and the frequency of reporting. (This is not required for Tier 1 and Manual reporting methods.)
7. The application may be returned unless the establishment name and holder of the operator license **exactly** match the information printed on your current Gambling Operator License.
8. Staple a correctly programmed lifetime audit ticket to the back of this application.
9. Make all checks payable to the “**Gambling Control Division.**” One check is acceptable for all applications being submitted for one location.
10. An authorized person must sign the machine application. Please sign legibly.
 - If the holder of the operator license is a corporation, an authorized agent (officer, director or stockholder) must sign.
 - If the holder of the operator license is an organization, an authorized agent (officer or director) must sign.
11. This form is downloadable from the Department of Justice website at www.doj.mt.gov/gaming/forms .
