CERTIFICATION AND AUTHORIZATION:

The Montana Department of Justice Gambling Investigation Bureau shall access and review State and Federal history records and shall make reasonable efforts to determine whether you have been convicted of, or are under pending charges for a crime that bears upon your suitability to be granted a license. If such adverse information is obtained, you will be entitled to (a) obtain a copy of any background check report and (b) challenge the accuracy and completeness of any information contained in any such report. A request for a copy of your criminal history record and whether you dispute the accuracy of such record should be addressed to the Montana Department of Justice Gambling Investigations Bureau.

I certify under penalty of law that all answers and statements made on this application are true, correct and complete. I understand that untruthful or misleading answers are cause for denial of a license and/or revocation of any license granted. I further understand that I may be prosecuted for knowingly making an Unsworn False Statement, a misdemeanor (45-7-203 MCA), or tampering with public records or information, a felony (45-7-208). NONCRIMINAL JUSTICE APPLICANT'S RIGHTS:

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for a job or license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification⁸ by the Montana Department of Justice Gambling Investigations Bureau that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used.
- If you have a criminal history record, the officials making a determination of your suitability for the job, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or updating of your criminal history record are set forth at Title 28 Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the job, license, or other benefit based on information in the criminal history record.

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.¹⁰

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at http://www.fbi.gov/about-us/cjis/background-checks.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI at the same address as provided above. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)

If a change, correction, or update needs to be made to a Montana criminal history record, or if you need additional information or assistance, please contact Montana Criminal Records and Identification Services at DOJCRISS@mt.gov or 406-444-3625.

Your signature below acknowledges this agency has informed you of your privacy rights for fingerprint-based background check requests used by the agency for non-criminal justice purposes.
