Notice of Data Breach

Dear <<Name 1>>:

At Fresno State, we understand the importance of protecting your personal information. We are writing to inform you about an incident potentially involving some of your information. This notice explains the incident, measures we have taken, and some steps you can take in response.

What Happened?

A break-in occurred in the Athletics Department sometime in the last week of December 2017, during the campus holiday closure. Once discovered, the matter was immediately reported to Campus police, and an internal investigation was initiated to determine what, if any, personal information may have been stored on those devices. On January 12, 2018, we learned that an unencrypted hard drive was among the items that were stolen.

What We Are Doing.

Maintaining information security is part of our commitment to providing high-quality education and we deeply regret any concern or inconvenience that this may have caused you. To help prevent something like this from happening in the future, we are reinforcing education with our staff regarding the proper storage of confidential information and the importance of protecting portable electronic devices.

What You Can Do.

We have no reason to believe that the hard drive was stolen for the information it contained or that your information has been accessed or misused in any way. However, as a precaution, we have secured the services of Experian to offer you a complimentary one-year membership of Experian's® IdentityWorksSM Credit 3B. This product helps detect possible misuse of your personal information and provides you with identity protection support focused on immediate identification and resolution of identity theft. Additional Steps You Can Take

Even if you choose not to take advantage of this free credit monitoring service, we recommend that you remain vigilant to the possibility of fraud and identity theft by reviewing your credit card, bank, and other financial statements for any unauthorized activity. We also recommend that you place a fraud alert on your credit file. A fraud alert tells creditors to contact you before they open any new accounts or charge your existing accounts. Call any one of the three major credit bureaus. As soon as one credit bureau confirms your fraud alert, the others are notified to place fraud alerts. The initial fraud alert stays on your credit report for 90 days. You can renew it after 90 days.

You may also obtain a copy of your credit report, free of charge, directly from each of the three nationwide credit reporting agencies once every 12 months. To order your credit report, please visit www.annualcreditreport.com or call toll free at 877-322-8228. Contact information for the three nationwide credit reporting agencies is as follows:
