

MONTANA FIRST JUDICIAL DISTRICT COURT, LEWIS & CLARK COUNTY

STATE OF MONTANA, Plaintiff, v. _____, Defendant.	CASE NO. ORDER REVOKING SUSPENDED SENTENCE AND WARRANT FOR ARREST
---	---

A petition to revoke the defendant's suspended sentence has been filed in this Court alleging that the defendant has violated the conditions of the defendant's suspended sentence. Specifically, the defendant was ordered to participate in the 24/7 Sobriety Program and either report for daily alcohol testing or allow transdermal alcohol monitoring. Based upon the petition and the incorporated affidavit, this Court has determined that probable cause exists to believe the defendant has violated the 24/7 Sobriety Program and that a hearing is necessary for the defendant to appear and answer the allegations contained in the petition.

THIS COURT HEREBY ORDERS that a copy of the petition and a copy of this Order be served upon the defendant and further orders any Montana peace officer to arrest the defendant and return him or her to the custody of the Lewis & Clark County Detention Center until a hearing can be conducted without unnecessary delay in accordance with Mont. Code Ann. § 46-18-203.

DATED this ____ day of _____, 20____.
