Dear <<first_name>> <<middle_name>> <<last_name>> <<suffix>>:

Professional Personnel Service, Inc., and its affiliated companies, d/b/a Luttrell Staffing Group (“Luttrell Staffing”) is writing to inform you of an event that may impact some of your information. While there is no evidence of any attempted or actual misuse of your information, we are providing you with information about this event, our response, and the steps you may take to further protect your information against identity theft and fraud, should you feel it necessary to do so.

What Happened? On June 14, 2021, Luttrell Staffing became aware that certain files on its computer system were encrypted with malware by an unknown actor. Luttrell Staffing promptly took steps to secure the impacted systems and its network and launched an investigation to determine the nature and scope of the event. The investigation determined that an unauthorized actor gained access to certain Luttrell Staffing systems between June 10, 2021 and June 23, 2021. As a result, the unauthorized actor may have had access to certain files within these systems and certain current and former employee and associate information may have been accessed or acquired by the unauthorized actor.

What Information Was Involved? Although the investigation was able to determine that certain Luttrell Staffing systems were accessed, it was unable to confirm what specific information was actually accessed. Therefore, Luttrell Staffing began a comprehensive review of the impacted files out of an abundance of caution to determine what information was present at the time of the incident. We are notifying you now because on or about December 27, 2021, this review determined that certain information related to you may have been impacted. This information includes your <<b2b_text_2(name, data elements)>>.

Luttrell Staffing is reviewing its security policies and procedures, as well as working with cybersecurity specialists to reduce the risk of this happening in the future and implemented additional measures and security tools to further protect information in our systems. Luttrell Staffing is also working to provide additional training to employees regarding data privacy and security.

While we do not have any indications that fraud or identity theft has occurred as a result of this incident, we are offering twelve (12) months of complementary identity monitoring through Kroll as an added precaution. Single Bureau Credit Monitoring

You will receive alerts when there are changes to your credit data—for instance, when a new line of credit is applied for in your name. If you do not recognize the activity, you'll have the option to call a Kroll fraud specialist, who will be able to help you determine if it is an indicator of identity theft.

Fraud Consultation

You have unlimited access to consultation with a Kroll fraud specialist. Support includes showing you the most effective ways to protect your identity, explaining your rights and protections under the law, assistance with fraud alerts, and interpreting how personal information is accessed and used, including investigating suspicious activity that could be tied to an identity theft event.

Identity Theft Restoration

If you become a victim of identity theft, an experienced Kroll licensed investigator will work on your behalf to resolve related issues. You will have access to a dedicated investigator who understands your issues and can do most of the work for you. Your investigator will be able to dig deep to uncover the scope of the identity theft, and then work to resolve it.

To receive credit services, you must be over the age of 18 and have established credit in the U.S., have a Social Security number in your name, and have a U.S. residential address associated with your credit file.

Monitor Your Accounts

Under U.S. law, a consumer is entitled to one free credit report annually from each of the three major credit reporting bureaus, Equifax, Experian, and TransUnion. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also directly contact the three major credit reporting bureaus listed below to request a free copy of your credit report.

Consumers have the right to place an initial or extended "fraud alert" on a credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the three major credit reporting bureaus listed below.

As an alternative to a fraud alert, consumers have the right to place a “credit freeze” on a credit report, which will prohibit a credit bureau from releasing information in the credit report without the consumer’s express authorization. The credit freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a credit freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. To request a security freeze, you will need to provide the following information:

1. Full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. Addresses for the prior two to five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, etc.); and
7. A copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft if you are a victim of identity theft.

Should you wish to place a credit freeze, please contact the three major credit reporting bureaus listed below:
