VICTIM RIGHTS

A victim may receive a sexual assault medical forensic examination and have evidence collected using a sexual assault evidence kit even if the victim does not want to participate in a criminal investigation;

A victim may not be billed for the cost of administering the sexual assault medical forensic examination or collecting evidence for the sexual assault evidence kit;

On request by a sexual assault victim to the investigating law enforcement agency, the victim may receive the following information;

Contact information for the officer investigating the case;

The current status of the case;

Whether the case has been submitted to the office of the prosecuting attorney for review;

Whether the case has been closed and the documented reason for closure;

Contact information for a local community-based victim services program;

Notifications of the victim's legal rights, including the right to file a petition requesting an order of protection, and the notices required by MCA 46-24-203, 46-24-204, 46-24-206

Refer to the Montana Constitution Article II, Section 36 for certain rights to victims of crime
