Dear <<Name 1>>,

The American Federation of Musicians and Employers' Pension Fund ("AFMEPF") is writing to inform you of a recent incident that may impact the privacy of some of your personal information. We wanted to provide you with information about the incident, our response, and steps you may take to better protect against the possibility of identity theft and fraud, should you feel it necessary.

**What Happened?** On August 18, 2020, AFMEPF discovered suspicious activity relating to an AFMEPF employee's email account. AFMEPF immediately changed the user's password and began an investigation with assistance from outside cyber-forensic specialists to determine the nature and scope of the incident. The investigation determined that unauthorized access to the email account occurred between May 22, 2020 and August 18, 2020; however, the forensic investigation was unable to determine access to specific emails and/or attachments. AFMEPF, in an abundance of caution and with the assistance of third-party forensics, began an extensive review of the email account to determine whether it contained any sensitive information and if so, to whom the information relates. This review was completed on October 31, 2020, at which time AFMEPF searched its internal records to locate the addresses for the potentially affected individuals. This review was concluded on December 11, 2020.

**What Information Was Involved?** The following types of information were found within the impacted email account: your name and <<breached elements>>. To date, we have no indication that any information has been subject to actual or attempted misuse in relation to this incident.

**What We Are Doing.** We take this incident and the security of personal information within our care very seriously. Upon discovery of this incident, we immediately took steps to secure the email account and launched an in-depth investigation with the assistance of outside cyber-forensic specialists to determine the full nature and scope of this incident. As part of our ongoing commitment to the privacy of personal information in our care, we reviewed our existing policies and procedures and implemented additional safeguards to further secure the information in our systems. We are also notifying regulatory authorities, as required by law.

As an added precaution, we are also offering twelve (12) months of complimentary access to credit monitoring, fraud consultation, and identity theft restoration services through TransUnion. Individuals who wish to receive these services must enroll by following the attached enrollment instructions.

**What You Can Do.** You can find out more about how to protect against potential identity theft and fraud in the enclosed *Steps You Can Take to Help Protect Your Personal Information*. There you will also find more information on the credit monitoring services we are offering and how to enroll.

**For More Information.** We understand that you may have questions about this incident that are not addressed in this letter. If you have additional questions, please call the dedicated assistance line that we have helped set-up at 800-514-5091, Monday through Friday from 9:00 a.m. to 9:00 p.m. Eastern Time, excluding U.S. holidays.

AFMEPF sincerely regrets any inconvenience or concern this incident may have caused you.

Sincerely,

The American Federation of Musicians and Employers' Fund

### Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud, to review your account statements, and to monitor your credit reports for suspicious activity. Under U.S. law, you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit [www.annualcreditreport.com](http://www.annualcreditreport.com) or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

You have the right to place a “security freeze” on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver’s license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

As an alternative to a security freeze, you have the right to place an initial or extended “fraud alert” on your file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:
