RE: *Notice of Data Breach*
Please read this entire letter.

On behalf of NAR Training, LLC DBA North American Rescue Education and Training we write to inform you of a data security incident potentially involving some of your personal information. We take the protection of your information very seriously, and we are contacting you directly to explain the circumstances of the incident and the steps we are taking in response.

What Happened?

In mid-November 2022, we learned that we were targeted in a ransomware cyber-attack. We took steps to understand the scope of the incident, secured our information technology systems, and contacted law enforcement. As part of our investigation, which is still ongoing, we discovered that certain files containing information related to you may have been obtained without authorization. We do not have any evidence as of this time that the information in those files has been made public or that any identity theft or fraud has been committed to date.

What Information Was Involved?

The investigation is ongoing, but we believe the affected information that may have been obtained without authorization included driver's license numbers, social security numbers, and other personal information.

What We Are Doing To Protect Your Information:

Please be assured that we have taken numerous steps to address the incident. Upon discovery of the incident, our cybersecurity team immediately took a series of actions, including hiring third-party forensic experts to assist us in investigating and responding to this matter on an expedited basis. We also implemented increased security measures to further protect our systems.

To help protect your personal information, we are providing you with identity detection and resolution tools through Experian, one of the leading credit and identity monitoring companies, through a complimentary 24-month membership to Experian's® IdentityWorksSM. ***To activate this membership and start monitoring your personal information, please follow the steps in Attachment 1.***

What You Can Do:

Please see Attachment 2 for further steps you can take to protect your personal information as well as additional important information. We also encourage you to report any suspicious computer-related activity to the appropriate authorities.

Conclusion:

As noted, please see the attachments for instructions on how to enroll in Experian's® IdentityWorksSM, further steps you can take to protect your personal information, and additional important information.

We sincerely apologize for this incident and regret any inconvenience it may cause. Should you have questions or concerns regarding this matter, please call customer number: 1-833-514-1011. Thank you.

Sincerely,

Andy Goldy
Chief Operating Officer

Additional Resources

Monitor Your Accounts

We recommend that you regularly review statements from your accounts and periodically obtain your credit report from one or more of the national credit reporting companies. You may obtain a free copy of your credit report online at www.annualcreditreport.com, by calling toll-free 1-877-322-8228, or by mailing an Annual Credit Report Request Form (available at www.annualcreditreport.com) to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281. You may also purchase a copy of your credit report by contacting one or more of the three national credit reporting agencies listed below.

Equifax®
P.O. Box 740241
Atlanta, GA 30374-0241

When you receive your credit reports, review them carefully. Look for accounts or creditor inquiries that you did not initiate or do not recognize. Look for information, such as home address and Social Security number that is not accurate. If you see anything you do not understand, call the credit reporting agency at the telephone number on the report.

Credit Freeze

You have the right to put a security freeze, also known as a credit freeze, on your credit file, so that no new credit can be opened in your name without the use of a Personal Identification Number (PIN) that is issued to you when you initiate a freeze. A credit freeze is designed to prevent potential credit grantors from accessing your credit report without your consent. If you place a credit freeze, potential creditors and other third parties will not be able to access your credit report unless you temporarily lift the freeze. Therefore, using a credit freeze may delay your ability to obtain credit. Pursuant to federal law, you cannot be charged to place or lift a credit freeze on your credit report. Should you wish to place a credit freeze, please contact all three major consumer reporting agencies listed below.

credit-freeze](http://www.transunion.com/credit-freeze)

You must separately place a credit freeze on your credit file at each credit reporting agency. The following information should be included when requesting a credit freeze:

- 1) Full name, with middle initial and any suffixes;
- 2) Social Security number;
- 3) Date of birth (month, day, and year);
- 4) Current address and previous addresses for the past five (5) years;
- 5) Proof of current address, such as a current utility bill or telephone bill;
- 6) Other personal information as required by the applicable credit reporting agency;

If you request a credit freeze online or by phone, then the credit reporting agencies have one (1) business day after receiving your request to place a credit freeze on your credit file report. If you request a lift of the credit freeze online or by phone, then the credit reporting agency must lift the freeze within one (1) hour. If you request a credit freeze or lift of a credit freeze by mail, then the credit agency must place or lift the credit freeze no later than three (3) business days after getting your request.

Fraud Alerts

You also have the right to place an initial or extended fraud alert on your file at no cost. An initial fraud alert lasts 1-year and is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years. Should you wish to place a fraud alert, please contact any one of the agencies listed below. The agency you contact will then contact the other two credit agencies.
