Dear Sample A. Sample,

In early July of 2021, you should have received a letter from Navistar via First Class mail notifying you of a security incident involving the personal information of certain current and former U.S. employees. That notice included steps we've taken in response to the incident as well as what can be done to protect against any potential harm. That notice also provided you with additional information on how to access two years of free credit monitoring and identity theft protection, although we are not aware at this time that any third party has made any use of the affected data as a result of this incident.

After sending the July notification, we have continued to investigate the security incident and worked around the clock with the assistance of leading cybersecurity experts to confirm the full scope of the incident. We have now completed our investigation.

As a result of our investigation, we determined that some individuals who should have received the notification in July of 2021 (which stated that their name, address, and social security number were affected) also had certain information related to their participation in the Navistar health plan affected in the same security incident. You are one of those individuals.

As a result, we've enclosed a second letter to notify you that certain additional information related to your participation in the health plan was also affected in this incident. To be clear, this second letter is a result of our work to thoroughly investigate the incident, and **not** the result of a second incident.

Additional details regarding this incident, how you were affected, and how we are working to support you are included in the enclosed letter. Because you already should have received information regarding identity theft protection and the opportunity to enroll in credit monitoring services in your first letter, we are not including that information here. However, in case you have not yet enrolled in the credit monitoring services, we have extended the enrollment period until December 31, 2021 to allow you additional time to take advantage of that offering.

On behalf of Navistar, I want to assure you that we take the security of our systems and data very seriously and regret any concern this situation may have caused. We appreciate your patience as we have worked to address this issue.

Sincerely,

A handwritten signature in black ink that reads "Donna Grant Dorsey". The signature is written in a cursive, flowing style.

Notice of Data Breach

Dear Sample A. Sample,

Navistar, Inc. ("Navistar") values the privacy of our current and former employees and uses physical, technical, and administrative measures to safeguard your personal information. Our records indicate you are a current or former participant in either the Navistar, Inc. Health Plan or the Navistar, Inc. Retiree Health Benefit and Life Insurance Plan (collectively, the "Plan"). We are writing to you to notify you about a security incident we recently experienced, which has impacted information related to your participation in the Plan. Below are details on the steps we are taking to address the situation.

WHAT HAPPENED?

On May 20, 2021, Navistar learned of a potential security incident affecting its information technology system ("IT System"). Upon learning of the security incident, Navistar launched an investigation and took immediate action in accordance with our cybersecurity response plan. Navistar conducted its investigation with the assistance of leading cybersecurity experts hired to evaluate and address the scope and impact of the incident.

On May 31, 2021, Navistar received a claim that certain data had been extracted from our IT System. In the course of our investigation, we were able to confirm that an unauthorized third party had accessed and taken certain data from our IT System, including data relating to participants in the Plan. On August 20, 2021, we discovered that some of the data taken by the unauthorized third party contains information relating to your participation in the Plan. Based on the information Navistar has at this time, we believe that this incident occurred prior to May 20, 2021.

WHAT INFORMATION WAS INVOLVED?

The data that was taken may have included your full name, address, date of birth, and information related to your participation in the Plan, such as information identifying certain of your providers and prescriptions.

WHAT ARE WE DOING?

We took immediate action to investigate the situation once we learned of the potential incident. Navistar has taken a number of steps to enhance our security protocols and controls, technology, and training. We continue to assess further options to protect our IT System.

WHAT CAN YOU DO?

We recommend that you remain vigilant for incidents of fraud and identity theft. You can review your account statements and monitor free credit reports. Promptly report any fraudulent activity or any suspected incidents of identity theft to your bank or other financial institution holding your accounts, as well as any appropriate authorities, such as your state attorney general and the Federal Trade Commission ("FTC").

The FTC and the Internal Revenue Service ("IRS") both generally recommend that individuals who believe that they may be at risk of taxpayer refund fraud should file their income taxes as early as possible. The IRS further suggests that a taxpayer who is an actual or potential victim of identity theft complete and submit to the IRS Form 14039 (Identity Theft Affidavit). Form 14039 is available at <https://www.irs.gov/pub/irs-pdf/f14039.pdf>. Upon receipt of this affidavit, the IRS may flag your taxpayer account to identify questionable activity.

On behalf of Navistar, I want to apologize for any concern this situation may have caused. We appreciate the patience all our current and former employees have demonstrated as we have worked to address this issue.

FOR MORE INFORMATION.

For more information and assistance, please contact (855) 387-4540 Monday through Friday 8 am – 10 pm CST, Saturday and Sunday 10 am – 7 pm CST (excluding major U.S. holidays). Please be prepared to provide engagement number **B018458**.

Sincerely,

You can obtain additional information from the FTC and the nationwide credit reporting agencies about placing a security freeze on your credit files and fraud alerts. A security freeze is a free tool that lets you restrict access to your credit report, which in turn makes it more difficult for identity thieves to open new accounts in your name. To place a security freeze on your credit files, contact each of the nationwide credit bureaus using the contact information listed above. You will need to supply your name, address, date of birth, social security number, and other personal information. You may want to consider placing a fraud alert on

your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies using the contact information listed above.

Notice of Data Breach

Dear Sample A. Sample,

Navistar, Inc. (“Navistar”) is writing to you because our records indicate that you are or were a dependent of a current or former Navistar employee.

Navistar values the privacy of our current and former employees and their dependents, and uses physical, technical, and administrative measures to safeguard your personal information. We are writing to notify you about a security incident we recently experienced, which has impacted your personal information. Below are details on the steps we are taking to address the situation, as well as what we are doing to support affected individuals.

WHAT INFORMATION WAS INVOLVED?

The data that was taken may have included your full name, address, date of birth, and social security number.

WHAT ARE WE DOING?

We took immediate action to investigate the situation once we learned of the potential incident. Navistar has taken a number of steps to enhance our security protocols and controls, technology, and training. We continue to assess further options to protect our IT System.

Although we are not aware at this time that any third party has made any use of data as a result of this incident, out of an abundance of caution, we are providing you with access to free credit monitoring and identity theft protection for two years through Experian. Enrollment instructions and details for these free services are further outlined on Attachment 1.

WHAT CAN YOU DO?

In addition to using the credit monitoring and identity theft protection described above, we recommend that you remain vigilant for incidents of fraud and identity theft. You can review your account statements and monitor free credit reports. Promptly report any fraudulent activity or any suspected incidents of identity theft to your bank or other financial institution holding your accounts, as well as any appropriate authorities, such as your state attorney general and the Federal Trade Commission ("FTC").

You can obtain additional information from the FTC and the nationwide credit reporting agencies about placing a security freeze on your credit files and fraud alerts. A security freeze is a free tool that lets you restrict access to your credit report, which in turn makes it more difficult for identity thieves to open new accounts in your name. To place a security freeze on your credit files, contact each of the nationwide credit bureaus using the contact information listed above. You will need to supply your name, address, date of birth, social security number, and other personal information. You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies using the contact information listed above.

Notice of Data Breach

Dear Sample A. Sample,

Navistar, Inc. (“Navistar”) is writing to you because our records indicate that you are a current or former participant in either the Navistar, Inc. Health Plan or the Navistar, Inc. Retiree Health Benefit and Life Insurance Plan (collectively, the “Plan”).

Navistar values the privacy of the current and former participants in our health and welfare benefit plans and uses physical, technical, and administrative measures to safeguard your personal information. We are writing to notify you about a security incident we recently experienced, which has impacted information related to your participation in the Plan. Below are details on the steps we are taking to address the situation, as well as what we are doing to support affected individuals.

WHAT HAPPENED?

On May 20, 2021, Navistar learned of a potential security incident affecting its information technology system (“IT System”). Upon learning of the security incident, Navistar launched an investigation and took immediate action in accordance with our cybersecurity response plan. Navistar conducted its investigation with the assistance of leading cybersecurity experts hired to evaluate and address the scope and impact of the incident.

On May 31, 2021, Navistar received a claim that certain data had been extracted from our IT System. In the course of our investigation, we were able to confirm that an unauthorized third party had accessed and taken certain data from our IT System, including data relating to participants in the Plan. On August 20, 2021, we discovered that some of the data taken by the unauthorized third party contains information relating to your participation in the Plan. Based on the information Navistar has at this time, we believe that this incident occurred prior to May 20, 2021.

WHAT INFORMATION WAS INVOLVED?

The data that was taken may have included your full name, address, date of birth, and information related to your participation in the Plan, such as information identifying certain of your providers and prescriptions.

WHAT ARE WE DOING?

We took immediate action to investigate the situation once we learned of the potential incident. Navistar has taken a number of steps to enhance our security protocols and controls, technology, and training. We continue to assess further options to protect our IT System.

Although we are not aware at this time that any third party has made any use of data as a result of this incident, out of an abundance of caution, we are providing you with access to free credit monitoring and identity theft protection for two years through Experian. Enrollment instructions and details for these free services are further outlined on Attachment 1.

WHAT CAN YOU DO?

In addition to using the credit monitoring and identity theft protection described above, we recommend that you remain vigilant for incidents of fraud and identity theft. You can review your account statements and monitor free credit reports. Promptly report any fraudulent activity or any suspected incidents of identity theft to your bank or other financial institution holding your accounts, as well as any appropriate authorities, such as your state attorney general and the Federal Trade Commission ("FTC").

The FTC and the Internal Revenue Service ("IRS") both generally recommend that individuals who believe that they may be at risk of taxpayer refund fraud should file their income taxes as early as possible. The IRS further suggests that a taxpayer who is an actual or potential victim of identity theft complete and submit to the IRS Form 14039 (Identity Theft Affidavit). Form 14039 is available at <https://www.irs.gov/pub/irs-pdf/f14039.pdf>. Upon receipt of this affidavit, the IRS may flag your taxpayer account to identify questionable activity.

On behalf of Navistar, I want to apologize for any concern this situation may have caused. We appreciate your patience as we have worked to address this issue.

FOR MORE INFORMATION.

For more information and assistance, please contact (855) 387-4540 Monday through Friday 8 am – 10 pm CST, Saturday and Sunday 10 am – 7 pm CST (excluding major U.S. holidays).

Sincerely,

A handwritten signature in black ink that reads "Donna Grant Dorsey". The signature is written in a cursive, flowing style.

* Offline members will be eligible to call for additional reports quarterly after enrolling.

** The Identity Theft Insurance is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

What If I Believe That My Personal Information Has Been Used Without My Consent?

Even if you do not enroll in Experian IdentityWorks, you are still automatically eligible to use Experian's Identity Restoration Services. Please note that this offer is available to you for two years from the date of this letter and does not require any action on your part at this time.

If you believe there was a fraudulent use of your personal information and would like to discuss how you may be able to resolve those issues, please reach out to an Experian agent. If, after discussing your situation with an agent, it is determined that identity restoration support is needed, an Experian Identity Restoration agent is available to work with you to investigate and resolve each incident of fraud that occurred (including, as appropriate, helping you with contacting credit grantors to dispute charges and close accounts; assisting you in placing a freeze on your credit file with the three major credit bureaus; and assisting you with contacting government agencies to help restore your identity to its proper condition).

The Terms and Conditions for this offer are located at www.ExperianIDWorks.com/restoration. You will also find self-help tips and information about identity protection at this site.

What Else Can I Do to Protect My Personal Information?

There are additional actions you can consider taking to reduce the chances of identity theft or fraud on your account(s). Please refer to www.ExperianIDWorks.com/restoration for this information.

ADDITIONAL INFORMATION ON CREDIT MONITORING & IDENTITY THEFT

Individuals are advised to remain vigilant for incidents of fraud and identity theft by reviewing account statements and monitoring free credit reports and to promptly report any fraudulent activity or any suspected incidents of identity theft to proper law enforcement authorities, including the police and your state's attorney general as well as the Federal Trade Commission.

Credit Bureaus

You may obtain a free copy of your credit report from each of the three major credit reporting agencies once every 12 months by visiting www.annualcreditreport.com, calling 1-877-322-8228, or by completing an Annual Credit Report Request Form and mailing it to Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348. You can print a copy of the request form at www.annualcreditreport.com/manualRequestForm.action

Alternatively, you may elect to purchase a copy of your credit report by contacting one of the three national credit reporting agencies. Contact information for the three national credit reporting agencies for the purpose of requesting a copy of your credit report or for general inquiries is as follows:

<p>Equifax 1-800-685-1111 www.equifax.com/CreditReport Assistance P.O. Box 740241 Atlanta, GA 30374</p>	<p>Experian 1-888-397-3742 www.experian.com P.O. Box 4500 Allen, TX 75013</p>	<p>TransUnion 1-800-888-4213 www.transunion.com/fraud P.O. Box 1000 Chester, PA 19016</p>

You can obtain additional information from the FTC and the nationwide credit reporting agencies about placing a security freeze on your credit files and fraud alerts. A security freeze is a free tool that lets you restrict access to your credit report, which in turn makes it more difficult for identity thieves to open new accounts in your name. To place a security freeze on your credit files, contact each of the nationwide credit bureaus using the contact information listed above. You will need to supply your name, address, date of birth, social security number, and other personal information. You may want to consider placing a fraud alert on your credit report. An initial fraud alert is free and will stay on your credit file for at least 90 days. The alert informs creditors of possible fraudulent activity within your report and requests that the creditor contact you prior to establishing any accounts in your name. To place a fraud alert on your credit report, contact any of the three credit reporting agencies using the contact information listed above.

Notice of Data Breach

Dear Sample A. Sample,

Navistar, Inc. ("Navistar") values the privacy of our current and former employees and uses physical, technical, and administrative measures to safeguard your personal information. Our records indicate you are also a current or former participant in either the Navistar, Inc. Health Plan or the Navistar, Inc. Retiree Health Benefit and Life Insurance Plan (collectively, the "Plan"). We are writing to you to notify you about a security incident we recently experienced, which has impacted information related to your participation in the Plan. Below are details on the steps we are taking to address the situation, as well as what we are doing to support affected individuals.

WHAT HAPPENED?

On May 20, 2021, Navistar learned of a potential security incident affecting its information technology system ("IT System"). Upon learning of the security incident, Navistar launched an investigation and took immediate action in accordance with our cybersecurity response plan. Navistar conducted its investigation with the assistance of leading cybersecurity experts hired to evaluate and address the scope and impact of the incident.

On May 31, 2021, Navistar received a claim that certain data had been extracted from our IT System. In the course of our investigation, we were able to confirm that an unauthorized third party had accessed and taken certain data from our IT System, including data relating to participants in the Plan. On August 20, 2021, we discovered that some of the data taken by the unauthorized third party contains information relating to your participation on the Plan. Based on the information Navistar has at this time, we believe that this incident occurred prior to May 20, 2021.

WHAT INFORMATION WAS INVOLVED?

The data that was taken may have included your full name, address, date of birth, and information related to your participation in the Plan, such as information identifying certain of your providers and prescriptions.

WHAT ARE WE DOING?

We took immediate action to investigate the situation once we learned of the potential incident. Navistar has taken a number of steps to enhance our security protocols and controls, technology, and training. We continue to assess further options to protect our IT System.

Although we are not aware at this time that any third party has made any use of current or former employee data as a result of this incident, out of an abundance of caution, we are providing you with access to free credit monitoring and identity theft protection for two years through Experian. Enrollment instructions and details for these free services are further outlined on [Attachment 1](#).

WHAT CAN YOU DO?

In addition to using the credit monitoring and identity theft protection described above, we recommend that you remain vigilant for incidents of fraud and identity theft. You can review your account statements and monitor free credit reports. Promptly report any fraudulent activity or any suspected incidents of identity theft to your bank or other financial institution holding your accounts, as well as any appropriate authorities, such as your state attorney general and the Federal Trade Commission ("FTC").

The FTC and the Internal Revenue Service ("IRS") both generally recommend that individuals who believe that they may be at risk of taxpayer refund fraud should file their income taxes as early as possible. The IRS further suggests that a taxpayer who is an actual or potential victim of identity theft complete and submit to the IRS Form 14039 (Identity Theft Affidavit). Form 14039 is available at <https://www.irs.gov/pub/irs-pdf/f14039.pdf>. Upon receipt of this affidavit, the IRS may flag your taxpayer account to identify questionable activity.

On behalf of Navistar, I want to apologize for any concern this situation may have caused. We appreciate the patience all our current and former employees have demonstrated as we have worked to address this issue.

FOR MORE INFORMATION.

For more information and assistance, please contact (855) 387-4540 Monday through Friday 8 am – 10 pm CST, Saturday and Sunday 10 am – 7 pm CST (excluding major U.S. holidays).

Sincerely,

A handwritten signature in black ink that reads "Donna Grant Dorsey". The signature is written in a cursive, flowing style.
