NOTICE OF DATA BREACH

Dear Sample A Sample:

At WillScot Mobile Mini Holdings Corp. (“WillScot”), we value and respect the privacy of your information, which is why, as a precautionary measure, we are writing to inform you of a recent security incident that may have involved your personal information and share some steps that you can take to help protect yourself.

WHAT HAPPENED?

On November 10, 2020, we discovered, on that same day, that our Human Resources Department inadvertently attached a spreadsheet containing sensitive employee information relating to the benefits open enrollment process for the company. This email was sent to Mobile Mini managers. We deleted all copies of the email and related attachments from recipients’ inboxes and computers within minutes of the message being delivered. Based on our investigation, we have no evidence to suggest that any sensitive employee information was accessed or used without authorization or for an improper purpose.

WHAT INFORMATION WAS INVOLVED?

The information involved in this incident includes your full name, home address, date of birth, Social Security number, and the Member ID associated with your health insurance.

WHAT WE ARE DOING

In response to this incident, we are retraining our workforce on email security best practices and are investigating other software solutions to potentially help us avoid an event like this from happening in the future. Although we have no evidence of actual misuse of any of your information, we are notifying you out of an abundance of caution. To help relieve concerns and restore confidence following this incident, we have arranged for you to enroll, at no cost to you, in credit monitoring and identity protection services for two (2) years through Experian®. You may sign up for these services by following the instructions in the “What You Can Do” section below.

Please note that this Identity Restoration support is available to you for two (2) years from the date of this letter and does not require any action on your part at this time.

The Terms and Conditions for this offer are located at www.ExperianIDWorks.com/restoration. You will also find self-help tips and information about identity protection at this site.

OTHER IMPORTANT INFORMATION

Contact information for the three nationwide credit reporting agencies:

Equifax, PO Box 740241, Atlanta, GA 30374, www.equifax.com, 1-800-685-1111

Experian, PO Box 2104, Allen, TX 75013, www.experian.com, 1-888-397-3742

TransUnion, PO Box 2000, Chester, PA 19022, www.transunion.com, 1-800-888-4213

Free Credit Report. We recommend that you remain vigilant for incidents of fraud and identity theft by reviewing your account statements and monitoring your credit reports for unauthorized activity. If you discover any suspicious or unusual activity on your accounts, you should promptly notify the financial institution or company with which your account is maintained. You may obtain a copy of your credit report, free of charge, once every 12 months from each of the three nationwide credit reporting agencies. To order your annual free credit report please visit www.annualcreditreport.com or call toll free at **1-877-322-8228**. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available from the U.S. Federal Trade Commission's (FTC) website at www.consumer.ftc.gov) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

Fraud Alert. You have the right to place an initial or extended "fraud alert" on your file at no cost by contacting any of the three nationwide credit reporting agencies identified above. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert displayed on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. If you are a victim of identity theft and have filed an identity theft report with law enforcement, you may want to consider placing an extended fraud alert, which lasts for 7 years, on your credit file.

Security Freeze. You have the right to place, lift, or remove a "security freeze" on your credit report, free of charge. A security freeze prohibits a credit reporting agency from releasing any information from a consumer's credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit mortgages, employment, housing or other services. Under federal law, you cannot be charged to place, lift, or remove a security freeze.

You must place your request for a freeze with each of the three (3) major consumer reporting agencies listed above. To place a security freeze on your credit report, you may send a written request by regular, certified or overnight mail at the addresses below. You may also place a security freeze through each of the consumer reporting agencies' websites or over the phone, using the contact information above and below:

Equifax Security Freeze
1-800-349-9960

<https://www.equifax.com/personal/credit-report-services/>

Experian Security Freeze
1-888-397-3742

<https://www.experian.com/freeze/center.html>

TransUnion Security Freeze
1-888-909-8872

<https://www.transunion.com/credit-freeze>

In order to request a security freeze, you will need to provide some or all of the following information to the credit reporting agency, depending on whether you do so online, by phone, or by mail (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

The credit reporting agencies have one (1) business day after receiving your request by toll-free telephone or secure electronic means, or up to three (3) business days after receiving your request by mail, to place a security freeze on your credit report. The credit bureaus must also send written confirmation to you within five (5) business days and provide you with a unique personal identification number (PIN) or password (or both) that can be used by you to authorize the removal or lifting of the security freeze. It is important to maintain this PIN/password in a secure place, as you will need it to lift or remove the security freeze.

To lift the security freeze in order to allow a specific entity or individual access to your credit report, or to lift a security freeze for a specified period of time, you must submit a request through a toll-free telephone number, a secure electronic means maintained by a credit reporting agency, or by sending a written request via regular, certified, or overnight mail to the credit reporting agencies and include proper identification (name, address, and Social Security number) and the PIN or password provided to you when you placed the security freeze as well as the identity of those entities or individuals you would like to receive your credit report or the specific period of time you want the credit report available. The credit reporting agencies have one (1) business day after receiving your request by toll-free telephone or secure electronic means, or three (3) business days after receiving your request by mail, to lift the security freeze for those identified entities or for the specified period of time.

0000001

To remove the security freeze, you must submit a request through a toll-free telephone number, a secure electronic means maintained by a credit reporting agency, or by sending a written request via regular, certified, or overnight mail to each of the three (3) credit bureaus and include proper identification (name, address, and Social Security number) and the PIN number or password provided to you when you placed the security freeze. The credit bureaus have one (1) business day after receiving your request by toll-free telephone or secure electronic means, or three (3) business days after receiving your request by mail, to remove the security freeze.
